

COUNTY DEMOS SET BUDGET AND FILING FEES MONDAY

Jones County Democratic Executive committee met Monday and set budget and made assessments against the various offices which will be filled this year.

Generally speaking, the assessments were based upon 11 percent of the annual salary of the office involved. In the case of state senator and state representative, the amount in this county is set by law at \$10.

Democratic Chairman Louis Johnson said consideration was given also to the number of counties in which a candidate must file. The assessment against an office is divided among the candidates for the office. One candidate pointed out he is pleased to pay the full amount because the cost of making a race is

much greater than the cost of filing.

Assessments against the various offices were set as follows:

Congress, where candidates must file in 14 counties, \$212; district judge \$715; district attorney, \$412.50; tax assessor-collector, \$686.40; county attorney, \$950; sheriff, \$660; county commissioner (precinct 1 and 3 this year), \$548; and constable Hawley precinct, \$59.40.

Candidates had to make a partial payment at the time of filing and have until Feb. 15 to pay the balance. Mr. Johnson said the executive committee anticipated a surplus of \$600 to \$800 which will be refunded but they felt it was necessary to have the extra money in case of some unforeseen development.

Because there likely will be but a small number of persons who qualify to vote simply by registering, Mr. Johnson said only one ballot would be prepared.

Persons who have registered without paying a poll tax are not eligible to vote for any but national candidates. The election officials at the polls will cross out all other races on the ballot given these persons, Mr. Johnson explained.

In the primary election, this will mean those who have registration slips will be permitted to vote only in the congressional race.

McMurry Chanters To Sing Here Mar. 1

The McMurry College Chanters, highly regarded as being one of the finest choirs in the Southwest, will present a Service of sacred music at First Methodist Church, on Sunday, March 1, at 10:50 a.m.

Director of the McMurry College Chanters is Professor Paul Englestad, who has earned an enviable reputation as one of the finest choir directors in the Southwest. "Our Aim," says Professor Englestad, "is not to sing a new song unto the Lord, but a better song."

"The public is invited to come and worship with us in this hour of sacred music," stated the pastor, Rev. Royce Wornack.

Mary Margaret Maberry, a 1963 Hamlin High School graduate, and a freshman at McMurry, is a member of the Chanters.

Only Two Register For Free Vote

Only two persons had registered to vote without payment of poll tax up to noon Monday in Jones County. Persons who failed to obtain a paid poll tax receipt have until March 6 to register.

County Tax Assessor-Collector A. J. French reminded that registration is free, that persons who otherwise are exempt from paying poll tax need not register and that registration without paying entitles the citizen to vote only for candidates in nation races.

A total of 3,828 paid poll tax receipts were issued up to the deadline Jan. 31.

Mrs. Florence Calvert returned home last week from the Methodist Hospital in Lubbock where she had been taking care of her grandson, Jesse Kelley, Jesse, who resides in Snyder, has had major surgery and is improving nicely.

PHILOSOPHER CAN UNDERSTAND HOW SPACE EXPERTS FORGOT TO TURN ROCKET FUEL ON

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 takes note of a human failing this week.

As I understand it, a couple of weeks ago the space scientists started to fire a rocket at the moon and after making elaborate preparations for the multi-million-dollar shot, with the best brains in the business figuring the timing and the aiming just right, with all the electrical circuits tested and re-tested, and with all the lights blinking and flashing, the count down began, the thing was ignited, then it fizzled.

Somebody forgot to open a hydrant in the fuel line.

A friend of mine was talking

IN APPRECIATION FOR SERVICE—Joe E. Ford, outgoing president of Hamlin Board of Community Development, is shown above as he receives a plaque as a token of appreciation for his work during the past year. The presentation was made by Lloyd Burkhardt, right, who became the new president at the annual banquet held Friday night in the high school gymnasium. Bill Dominey Has Further Surgery Following Accident

Bill Dominey, employee of the Celotex Corporation, underwent surgery in Abilene Monday for further treatment of a serious injury which occurred at the local plant Friday morning, Jan. 31.

Dominey was injured in a freak accident when he stepped into a screw type conveyor. His left foot was severed and his leg badly mangled. After emergency treatment at the local hospital he was carried to Hendricks Memorial Hospital where the leg was amputated about four inches above the knee.

The surgery will prepare the leg for further surgery next week when skin will be grafted. He is expected to remain in Abilene for about three to four weeks before being transferred to the local hospital.

April 15 Deadline For Car Inspection

"April 15th is the deadline for several things, one is having your motor vehicle inspection certificate on your car," Warned Major Leo E. Gassett, Commander of the 49 county West Texas Region of the Department of Public Safety.

Captain R. M. Hammett, who heads the Vehicle Inspection Service for this area, stated, "Our records show less than one third of the vehicles in this area have been inspected since the new inspection year began September 1, 1963 and this means several thousand vehicles must be inspected in the two months remaining."

All motor vehicles are required to display a valid inspection certificate on or before April 15 deadline. Those who fail to comply with this law are subject to a fine of not less than \$100 and costs or more than \$200 and costs. "May we encourage our motorists in this area to go in now and have this safety inspection made as there are sure to be long lines waiting before the deadline," Hammett said.

Weaver, a native of Hamlin, is the son of Mr. and Mrs. J. L. Weaver. He and his wife, the former Fayrene Gardner, have one son, O. H. Jr. Mrs. Weaver's mother, Mrs. W. E. Gardner lives with them.

S. L. TATE JR. ELECTED NEW ROTARY HEAD

S. L. Tate Jr. was elected president of the Hamlin Rotary Club at the noon meeting Wednesday, Feb. 5. He succeeds L. J. Cunningham and will assume the responsibilities of the office July 1.

Other officers include James Rodgers, vice president; Kenneth Scott, secretary, who was re-elected. New directors are Ned Moore and Garland Preston. Holdover directors are Carl Murrell and I. R. Witt.

33 Criminal Cases Disposed of in County Court

Judge Leon Thurman called the docket in Jones County Court Monday morning and disposed of criminal 33 cases, setting others for trial at a later date, and heard three probate cases.

Of the 33 disposed of, five were pleas of guilty with the balance being dismissed on motion of the county attorney, Charles Brownfield. Judge Thurman explained that in some instances the charge was faulty and in others there was insufficient evidence for conviction.

Three cases are set for trial Thursday of next week, others set for Monday, Tuesday and Wednesday, Feb. 24, 25 and 26, and still others for March 6, 9 and 10.

O. H. Weaver Takes Over Station

O. H. Weaver Sr., new owner of the Texaco service station at 452 South Central took over the operation Monday of this week.

Weaver, a native of Hamlin, is the son of Mr. and Mrs. J. L. Weaver. He and his wife, the former Fayrene Gardner, have one son, O. H. Jr. Mrs. Weaver's mother, Mrs. W. E. Gardner lives with them.

Two Terms Expire On School Board; Election April 4

Qualified voters in the Hamlin Independent School District will be voting for two positions on the Board of Trustees in the election Saturday, April 4. The terms of Fred B. Moore Jr. and Revis Robertson will expire April 4 and both have announced that they will seek re-election to their posts.

Supt. C. F. Cook outlines requirements for a candidate for trustee as follows:

1. Must be qualified voter in the Hamlin Independent School District.

2. Make a written request to the secretary of the Board, Mr. Richard Young Jr., requesting that name be placed on ballot.

3. Must sign loyalty oath.

The above requirements must be fulfilled at least 30 days before the election date, March 4.

Only those persons who have a current poll tax receipt will be eligible to vote in this election.

Pipers Lose Close Game to Stamford

In a game that saw the score tied at several points during the game, the Stamford Bulldogs downed the Pipers here Tuesday night, 62-57. Robert Pearce lead the Pipers with 21 points and Stephen Haterius was high for Stamford.

STAMFORD — Statistics 7 5 19; J. Jones 0 0 4; L. Jones 2 2 6; Samuels 1 1 3; Grissom 2 2 6; Bredthauer 2 1 5; Taylor 2 1 5 Holcomb 2 12 16 Totals: 18 26 62.

HAMLIN — Pearce 9 3 21; Butler 7 3 17; Ledbetter 2 7 11; Shivers 5 3 13; Bell 1 0 2; Fincannon 1 1 3. Totals: 25 7 57.

Kent-Stonewall Theme Contest Winners Told

The Annual Theme Contest sponsored by Kent-Stonewall S.C.D. was completed last week. There were 17 entries and for the second straight year, all entries were graded Blue, Ribbons and Special Award be presented at a later date.

The Senior Contest was won by Carolyn Sander, with Judy White placing second and Brenda Dabby winning third.

Junior Winners were: 1st place, Reva Letz, 2nd place, Judy Sander, and 3rd place was won by Weldon Spitzer.

Other winners as follows: Junior Winners — All Blue Ribbons: Gary Six, Rita Baldree, Brenda Palmer, Henry Wooldridge, Dale Letz, and James Gholson.

Senior Winners — All Blue Ribbons: Ann Cumble, Mike Baldree, Perry Workman, Eza Cochran and Troy Windsor.

The Jones-Fisher singing will be held Sunday afternoon Feb. 17 at the Foursquare Church at 1:30 p.m. Everyone is invited.

Banquet Friday Well Attended

Lloyd Burkhardt, new president of the Hamlin Board of Community Development, pledged a "sincere effort" to see that the Hamlin BCD "take care of the little things," expressing confidence that if that is done, "the bigger things — such as industry — will come" when he accepted the responsibilities of the position at the BCD's annual banquet Friday evening.

A capacity crowd was on hand for the banquet in the high school gymnasium when guest speaker was Lewis R. Timberlake formerly of Stamford and now vice president of Western Republic Life Insurance, Austin. Local visitors and out of town guests numbered 311.

Timberlake told the assembly that the "greatest gift the nation's smaller communities can give is to assist in the rebirth of the attitude of honor and respect for the individual."

He said, "We need to regain the 'flavor' of believing in ourselves," and pointed out that the need applied to both individuals and communities.

Linking, inseparably, community progress with the acceptance of individual responsibility he urged all who seek progress to "lose yourself in something bigger than yourself and in doing so, 'give it your best.'"

Retiring President Joe E. Ford was presented a plaque by Burkhardt for his outstanding service during the past year.

S. L. Tate Jr., master of ceremonies introduced guests and presented the Hamlin High School stage band. The group, with Gary Ted Jay, student director, conducting in the absence of director Tim Jones, presented modern arrangements of popular tunes.

Ford introduced the officers and directors for the current year who will be serving with Burkhardt. They are: C. F. Cook, first vice president; Lewis Madden, second vice president; Edgar Duncan, third vice president; James Rodgers, treasurer; and Mrs. Ned Moore, secretary.

First year directors are S. C. Ballew, Rod Brown, Wesley Nail, L. J. Cunningham, Lee Hastings, B. O. Bell. Second year directors are Burkhardt, Cook, Madden, Ned Moore, Rodgers and Ernest Williams. Third year directors are T. C. Blankinship, David Casey, Duncan, John D. Ferguson, Dewey Nunley and E. J. Whaley.

Retiring directors are Floyd Clifton, Bob Craig, Ford, Robert Fowler, Herman McBride and Donley Williams.

Ex-officio directors who were introduced include James Wright, president of the Hamlin Jaycees; Hollis Madden, Mayor of Hamlin; Dr. M. L. Smith, public health officer and Rev. Cecil Stowe, president of the Ministerial Alliance.

The speaker was introduced by Bob Craig who also served as general chairman for the banquet. Rev. Stowe gave the invocation and Tate gave the benediction.

Decorations were by the Hamlin B & P W Club.

Mrs. W. M. Fancher Buried Monday in Neinda Cemetery

Mrs. W. M. (Della) Fancher, 91, died at 8:50 p.m. Feb. 8, 1964 at the Stamford Sanitarium.

Services were held at 2 p.m. Monday at the McCauley Baptist Church with the pastor, Rev. Edwin Peoples and Rev. Gerald Tidwell of Fort Worth officiating.

Burial was in the Neinda cemetery.

She was born Nov. 27, 1872, at Goshen, Texas. Her parents were Mr. and Mrs. James Foreman.

She was married in Fannin County, Texas to W. M. Fancher, who preceded her in death Nov. 8, 1903.

She was a charter member of the McCauley Baptist Church.

Survivors are three sons, Jim of McCauley, Willie of Hamlin and Rufus of Fort Worth; three daughters, Mrs. W. H. (Maudie) Barton, Mrs. Ted (Lizzie) Abbott, Mrs. C. A. (Eula) McHone all of McCauley; one sister, Mrs. Lida Peterson of Gustine, Texas, 16 grandchildren, 36 great-grandchildren and seven great-great-grandchildren.

Pallbearers were George Maberry, Ernest Webb, C. D. Jones, Dick Maberry, J. V. Eddington of Abilene and Hoyt Bland of Post.

Dr. Smith also reminds that all persons having received the three types of Sabin vaccine will need to have a booster two years after the last dose.

The new triple vaccine for polio is now available locally according to Dr. M. L. Smith, public health officer. All three strains are combined in the new vaccine. It is taken orally in two doses eight weeks apart.

The vaccine can be administered to children from six weeks to six months of age and to adults.

If a person has had one or two of the Sabin Oral vaccine doses but is not sure of the type or the date taken, it is recommended that they take the new vaccine. The doctor added that there is no danger of "getting too much."

The new vaccine is now being given at the Hamlin Memorial Hospital.

Vacancies will occur in Precinct 4 now being represented by Otto Sosebee, and in Precinct 1, being represented by J. E. (Rodi) Brown.

Two places will up for election on the county school board, County Judge Leon Thurman said Monday. Election will be held Saturday, April 4.

PIPERETTES CINCH DISTRICT HERE TUESDAY

The Piperettes cinched District 6-AA championship by beating Lakeview 64-60 here Tuesday evening.

At the end of the first quarter the Piperettes were trailing 7-12. The Maidens widened their margin to a 13 point lead in the second quarter before the Piperettes narrowed to a 24-28 deficit at half time.

In the second half the score was tied up 12 times. The Piperettes managed to get a one point lead and with two minutes of playing time left in the ballgame stalled the ball and in doing caused the eager Lakeview girls to foul giving the local girls five charity tosses.

Free throws accounted for 32 of the 64 points. Outstanding performers were Barbara Lakey, six rebounds; Cheryl Brown, five stolen balls; Judy Jenkins, 87.5% at the free throw line; Kay Hodnett and Phyllis Scarborough, each five rebounds. Lakes was high scorer with 45 points.

POURING STARTS ON HUT—The concrete slab for the Boy Scout Hut was poured here Monday as work started on the 20 by 40 foot building last week. The fund drive being held by the Hamlin Lions Club has reached \$2,000 with a few pledges still out, according to W. T. Johnson, chairman. Callens George is in charge of construction of the concrete tile building.

THE MINISTER SPEAKS—

'FOLLOW ME'

by Rev. Royce Womack
Pastor, First Methodist Church
"FOLLOW ME" Mt. 16:24-28

Somewhere I read the story of a man that felt he had to go by the tavern every morning on his way to work. On this particular morning, the ground was covered with snow. Shortly before he reached the tavern, he looked back to see that his young son was following him. He retraced his steps back to the son, and scolded him for being out in the weather, and told him to go home. The little boy looked up to his father and said: "But, Daddy, I'm just following in your footsteps." The story was a happy ending; in that the father came to his senses and vowed he would never drink again, that he did not want to be responsible for leading his son in the wrong direction.

One of the tragedies of our day is that parents do not have to go by the tavern to get their drinks, they only have to go to their refrigerator.

This story leads us to the point where we need to ask ourselves the question, "Where am I leading my children?" Do my footsteps lead in the direction that I can point with a feeling of pride, or is it with a sense of shame? We are not only responsible for the children of our own family, but we must realize that others are watching what we do with our lives. What kind of influence are we having on others?

We live in a world in which so much depends upon what we say, what we do, and what we are. We have been remind-

ed of the statement, "What you are, speaks so loud, I can't hear what you say."

Perhaps most of us will not be guilty of leading our children to the tavern, but where are we leading them? On Sunday when people should turn their steps toward the Church of their choice, can Christ count on you to be in your place? There are times in which you may not be able to go with your family to Church, but what about those Sundays that you could go, but don't want to, but had rather find something to occupy your time.

The world has always needed to follow Christ, and today is no exception. Our lives are filled with anxiety, unrest, and fears, some of our fears will never happen, but if we will be willing to commit our lives to Jesus Christ, we can be assured that He will never lead us astray.

May we be willing to examine our lives, see what kind of influence we are having on others, and with God's help do our best to see that we will not be responsible for misleading anyone. May we look again at the words that Jesus spoke as recorded in Matthew: "If any man will come after me, let him deny himself, and take up his cross, and follow me. For whosoever will save his life shall lose it; and whosoever will lose his life for my sake shall find it." (Matt. 16:24, 25).

Anhalt, Texas, in Comal County, is named from the German word meaning stopping place.

FIVE YEARS AGO:

Recent efforts of the Hamlin Board of Community Development to secure the location of correctional school for the Hamlin area have been given some attention in Austin but leaders of the project were advised that apparently the effort is a little late.

Members of the McCaulley Baptist Church conducted a ground breaking service Sunday. The service was held at the site of the proposed new building, where the old building had stood.

The ground breaking was conducted immediately following the morning worship service of the congregation.

TEN YEARS AGO:

Total of 49,176 bales of cotton had been ginned in Jones County prior to January 16, according to the latest government report.

Around 400 people are expected to attend the annual membership banquet of the Hamlin Chamber of Commerce Thursday night at the Junior High School auditorium, according to C C officials.

FIFTEEN YEARS AGO:

Record number of entries for the annual Club Boys Livestock show, to be held this year at Anson on March 4, is in prospect, according to W. H. Lehmberg, County Agent. Haskell W. Carter was elected president and W. C. Russell vice president of the Hamlin Chamber of Commerce when directors of the civic group met Tuesday morning in business session.

TWENTY-FIVE YEARS AGO:

Clover Farm Store advertises the following specials: Three pounds Crisco, 53 cents; family style steak, 17 cents pound.

Using a Valentine theme, Virginia Sue Flowers entertained members of the Philathea Sunday School Class of the First Baptist Church Tuesday evening in her home. Present were Elva Greenway, teacher; Juanita Harbert, Kathleen Elliott, Mary Stovall, Dorothy Hines, Betty Myrl Routh, Ruth Eckler, Inez Howard and the hostess.

THIRTY-FIVE YEARS AGO:

Truett May, student in Simmons University at Abilene spent the weekend with his parents, Mr. and Mrs. M. P. May.

Mr. and Mrs. Ed Neinst of Sweetwater were guests Sunday in the home of Mrs. Mart Farrow and Rev. and Mrs. J. Henry Littleton. Mrs. Neinst will be remembered here as Thelma Sykes, a former teacher in the Hamlin Schools.

PREPARATION

Thousands of Christians throughout this great nation spend hours of serious study,

searching the scriptures and commentaries written by scholars who have

dedicated their lives to the task of seeking out the full meaning of God's Word.

These willing workers, teaching from the Bible

each Sunday, feel that their work is vital

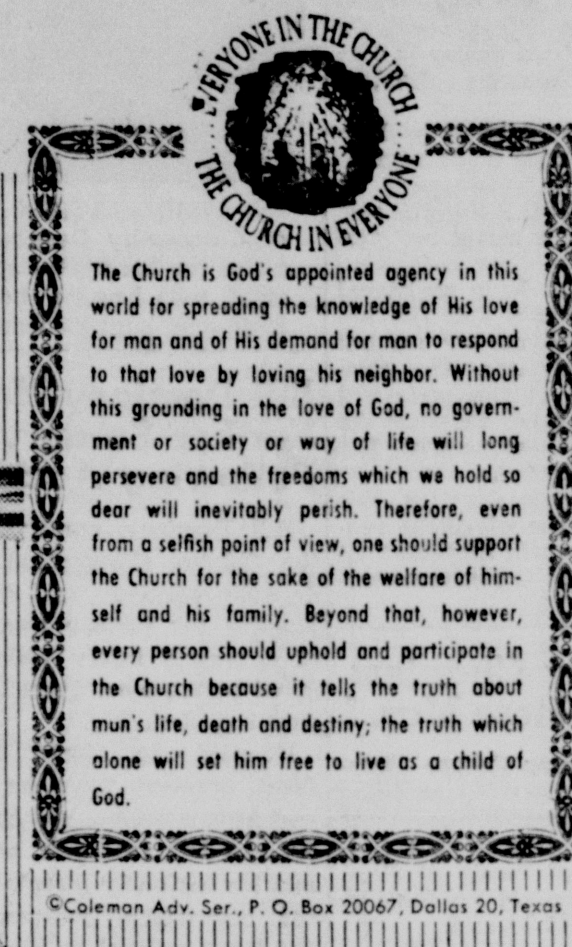

to the fulfillment of your spiritual life.

Won't you accept the invitation to attend

church as offered by the sponsors of this space,

and receive the benefits offered by these

willing teachers.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

ELECTRICAL WEEK • FEBRUARY 9-15, 1964 • ELECTRICITY POWERS PROGRESS • NATIONAL

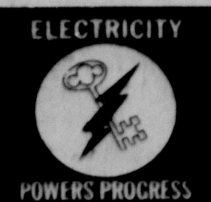

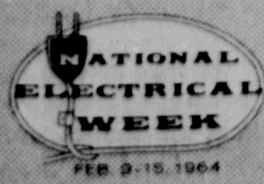

FROM the beginning of time, man has striven to find a source of power to make life more enjoyable; to reduce his work load. Meager ideas have led to the greatest source of energy for turning dreams into reality... electricity. There is virtually nothing that electricity cannot do... faster and cheaper than any other form of energy.

America's growth to the dynamic and industrialized civilization that it is today stems from the country's utilization of electrical power to produce a better way of life, more products, jobs and services.

Electricity powers progress... something to think about during National Electrical Week.

West Texas Utilities, an investor-owned company, is proud to be a part of the Electrical Industry and to pay its respect to the Industry founders.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex. — Twenty-eight Democratic and 15 Republican candidates bunched through the starting gate before last week's filing deadline in a dramatic beginning to a political year that opened with relative calm.

A rukus over the would-be U. S. Senate candidate of M. Allen Congressman Joe Kilgore, and Gov. John Connally's last minute hesitancy about running for re-election, highlighted the filing deadline spectacle.

Kilgore decided not to run against U. S. Sen. Ralph Yarborough. Connally acknowledged that he had considered retirement, went ahead and filed for a second term.

Conservative Democrats boiled over the Kilgore incident, said it might result in a second Republican senator from Texas.

Jack Cox, the GOP 1952 candidate for governor against Connally, was a surprise entry in the Republican senate contest — at five minutes before deadline.

The Republicans fielded a complete slate for state offices (except judicial) and congressional races.

Connally ended up with opposition from liberal Don Yarborough of Houston, Mrs. Johnnie Mae Haskeworth of Brenham and Rev. M. T. Banks of Beaumont, a Negro. Republican candidates for Governor are Jack Cochran of Dallas and Harry Diehl of Houston. Yarborough is opposed by Democrats John Van Crockhite and Gordon McLendon, both of Dallas. Cox and George Bush of Houston, and Dr. Milton V. Davis and Robert Morris, both of Dallas, are the GOP senatorial candidates.

Here is the complete lineup for other statewide offices: Lieutenant Governor — Preston Smith of Lubbock (incumbent).

Albert and Albert Fuentes Jr. of San Antonio, Democrats; and Horace Houston of Dallas, Republican.

Congressman-at-large — Incumbent Joe Pool of Dallas, Bill Elkins of Greenville, Robert W. Baker and Bob Looney, both of Houston, Democrats; and Bill Hayes of Temple, Republican.

Attorney General — Incumbent Waggoner Carr of Lubbock, Democrat; and John Trice, Waco, Republican.

Commissioner of Agriculture — Incumbent John White of Wichita Falls and Millard Shivers, Waco, Democrats; and John B. Armstrong, Kingsville, GOP.

Land Commissioner — Incumbent Jerry Sadler of Grapevine and Fred H. Williams of Dallas, Democrats; and John A. Matthews of Abilene, GOP.

Comptroller — Incumbent Robert S. Calvert of Austin, Democrat; and Dallas Calmes Jr., Houston, GOP.

Treasurer — Incumbent Jesse James, Austin, Democrat; and Fred S. Neumann, Beaumont, Republican.

Railroad Commissioner (full term) — Incumbent Ben Ramsey, San Augustine, Democrat.

Railroad Commissioner (unexpired term) — Incumbent Jim C. Landon of Austin, and Jesse Owens of Vernon, Democrats; and Don Flanagan, Richardson, GOP.

Supreme Court, Place 1 — Sears McGee of Houston and Jack Pope of San Antonio, Democrats; and T. E. Kennerly, Houston, GOP.

Supreme Court, Place 2 — Ruel C. Walker, Cleburne, incumbent, Democrat.

Supreme Court, Place 3 — Incumbent Robert W. Hamilton, Midland, Democrat.

Court of Criminal Appeals — Incumbent K. K. Woodley of Austin, Democrat.

Thirteen of Texas' 23 con-

gressmen escaped opposition in their own primaries, but for the first time in history there will be a Republican to deal with in every district come November.

"INSTANT" HOSPITALS — The State Health Department is keeper of some 92 storehouses of medical and treatment supplies, furnished by the federal government, which could be converted into hospitals almost instantly in the event of disaster.

Eleven more "hospitals" are expected to be added to the list this month, and a master plan calls for 450 of these facilities, eventually. The State Health Department is directing the Civil Defense Emergency Hospital program, and encourages local authorities to provide the needed storage space.

APPOINTMENTS — Governor Connally appointed Frank R. Appleman of Fort Worth, a University of Oklahoma graduate, to the board of Regents of Texas Woman's University of Denton.

He then picked Myrlin O. Johnson of Harlingen to preside over the 107th District Court in Cameron and W. W. Counties. Johnson replaces Judge Hawthorne Phillips, who resigned to become Attorney General Waggoner Carr's assistant.

BUSINESS IMPROVES — The 1953 index of Texas business activities was up 5.4 percent on the average, monthly level over the previous year, according to The University of Texas Bureau of Business Research.

Austin, Amarillo and Beaumont showed highest gains. They were followed closely by Corpus Christi, Houston, Fort Worth, Galveston and Waco.

No city showed a percentage decline.

Bureau predicted that 1954 will be another good year as far as personal income and business activity is concerned if the federal income tax bill now in the Senate is passed.

CIVIL DEFENSE SPACES — Texas now has 1,800,000 licensed civil defense shelter spaces of a goal of 1,900,000 CD Regional Director Bill Parker told a conference here.

These seven cities have fully-stocked shelters, Parker said: Abilene, Baytown, Bryan, Dallas, Denton, Odessa and Tyler.

BRACERO PROGRAM — The U. S. Congress has extend-

ed the bracero program for another year — through 1964 — as a compromise between the close-out or phase-out argument by states where the contract laborers from Mexico are employed. However, figures from the Texas Employment Commission indicate that a phase-out has been in effect in Texas for the past two years.

Henry LeBlanc of the commission's farm labor division reports that 38,000 braceros worked on Texas crops in August, 1961; 12,917 in August 1962; and 12,038 in August 1963.

WATER SUPPLY — Texans in the future may get very thirsty if they don't plan ahead to catch and save more water. This conclusion and other information about water, including the fact that since 1890 Texas has been using up its water resources at a rate 11 times faster than its population growth, has been spelled out for students.

The water story has been published in a 40-page illustrated booklet, "How Can We Meet Our Water Needs?" prepared by the Texas Society of Professional Engineers and printed by the Texas Education Agency.

Education Commissioner J. W. Edgar has notified school superintendents that 3,000 copies of the booklet on one of the state's most vital problems are available on request for use as resource material in junior and senior high schools.

SHORT SNORTS — The Texas Tourist Development Agency awarded its \$250,000 advertising contract to McCann-Erickson, Inc., Houston advertising agency.

Texas Liquor Control Board collections for December amounted to \$40,701 as the result of 609 convictions and 77 jail terms for liquor-law violations.

Land Commissioner Jerry Sadler ordered a full investigation when he learned that seven oil wells on a state lease in Comal County had been plugged without his approval.

Texas State Teachers Association president, Mrs. Elizabeth Little of Corpus Christi, said public school teachers in the state this year will receive a salary almost \$600 below the national average; teachers set-up has voted to fight for a salary increase when the 59th Legislature meets.

Governor Connally author-

ized removal of the three remaining Confederate widows now housed in the Confederate Home for Women in Austin to a "first-class" nursing home, where he said they would receive better treatment and at less expense to the state.

Banks in El Paso and Burkburnett were granted charters by the State Banking Board while application of Jacinto City State Bank was declined, and action again was postponed on bids for two new banks in Midland.

Governor Connally got a new lighter cast on his damaged right arm was pronounced in pretty good physical shape, but doctors said it will be six or eight months before he regains full strength.

Excise taxes collected on cig-

arettes in Texas last month came to \$7,300,000, up from \$7,200,000 a year ago, despite U. S. Health Service warnings about evils of smoking.

Texas schools have been urged by the governor to give special emphasis to the state song, "Texas, Our Texas", during Public Schools Week, March 2-6, and Texas Historical Period, March 2-April 21.

Speed, drinking and wrong-side driving are three main factors in fatal traffic accidents, Department of Public Safety Director Homer Garrison Jr. told a traffic courts conference.

A great drought forcing from 1275 to 1299 leaving the ancestors of the Pueblo Indians to leave their homes on the plateaus and cliffs and settle in the river valleys.

COUNTY HD AGENT CONDUCTS LEADER TRAINING SESSION

"Growing Plants and Houseplants the Modern Way" was the leader training meeting conducted by Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent in her office for leaders of the various Jones County Home Demonstration clubs. Horticultural perlite was used in the demonstration and how it can be used to improve soil and flower beds and the various types of plants that can be grown indoors were all discussed. A pot plant containing perlite was shown.

Perlite is a unique volcanic mineral explained Mrs. Newberry, which expands to about thirteen times its original volume when heated to a temperature of approximately 1700 degrees F. During this heating process, the mineral pops like popcorn, and form a granular snow white material.

Perlite has the following unique characteristics: (1) It is safe and easy to use, (2) chemically inert (3) completely sterile, (4) excellent water retention, (5) long lasting economy and (6) specially graded.

When horticultural grade perlite is added to any garden soil in the proper manner the results that may be expected were discussed. Perlite can also be used as a sterile, clean lightweight base for arranging flowers in deep vases and other containers.

The leaders who tended and will be giving the demonstration in their own clubs were: Mmes. Frank Carter, Goodman Club; W. M. Wright, Sunshine Club; D. Y. Norman, Sunshine Club; Warren Hilliard, Avoca Club; C. R. Foster, Avoca Club; Noble Greer, Friendship Club; J. H. Doty, Willow Creek Club; George Harrell, Bluebonnet Club; and Arch Herndon, Bluebonnet Club.

Past Presidents Give Founder's Day P-TA Program

The annual Founder's Day program of the Hamlin Elementary Parent-Teachers Association was presented Thursday afternoon by the past presidents.

Mrs. E. D. Perrin was program chairman. Other past presidents taking part were Mmes. Bill Shira, E. M. Wilson, president in 1924, and Gerald Young. The women discussed the objects, emblem and founders of the association.

The entertainment was presented by the Fifth grade classes. The patriotic program of readings and songs emphasizing faith, freedom, justice, citizenship and education, was closed with the Star Spangled Banner.

The invocation was given by Rev. Cecil Stowe, pastor of the Church of the Nazarene.

During the business session with Mrs. W. T. Johnson presiding, the group voted to give \$10.00 to the building of the Scout Hut. Other projects include purchase of a movie mirror, overhead projector and grade average, not to exceed \$350.00.

Mmes. Floyd Clifton, Earl Brown, and Jerry Waggoner were elected to serve on the nominating committee.

Mrs. Fred Smith's second grade room won room count.

The hospitality committee for the social hour following the meeting included Mmes. Robert Fowler, Miller Harmon and Jerry Waggoner.

The next meeting will be March 3. An open house is being planned at the primary, elementary and junior high school buildings beginning at 6:30 p.m.

Pineapple Stars in Pantry Casserole

This quick and thrifty casserole combines handsome canned pineapple slices with baked beans and corned beef hash. Many budget minded homemakers regularly stock cans of these popular items in their pantry. This supper favorite goes together in a few minutes and bakes brown and crusty in a hot oven in less than half an hour. Plan it on a menu with tossed green salad and hot rolls.

PINEAPPLE BEAN BAKE

2 (1-pound) cans baked beans in tomato sauce
1 tablespoon minced onion
1 teaspoon horseradish
1 teaspoon prepared mustard
1 (1-pound) can corned beef hash

1 (8 1/2-ounce) can pineapple slices
2 tablespoons brown sugar
1 tablespoon butter or margarine

Combine beans, onion, horseradish and mustard in shallow baking pan. Slice corned beef hash into 8 slices; arrange with drained pineapple slices on top of beans. Sprinkle with brown sugar; dot with butter. Bake in hot oven (400 degrees F.) 25 minutes. Makes 4 servings.

Sandra Stark and Jerry Burleson Wed In Lubbock Friday

Sandra Elene Stark and Jerry Neal Burleson were married at 8 p.m. Friday evening in the chapel of the First Baptist Church in Lubbock. Elder John H. Burleson, father of the bridegroom and pastor of the Calvary Baptist Church of Hamlin, officiated for the double ring ceremony.

The bride is the daughter of Mr. and Mrs. A. J. Stark of Lubbock and the bridegroom is the son of Eld. and Mrs. John H. Burleson of Hamlin.

Attendants were Mrs. Dwayne Welch of Plainview and Johanne Burleson of Lubbock, brother of the bridegroom.

Jim Stark, brother of the bride, and Jackie Burleson, brother of the bridegroom, seated guests.

The bride will graduate from Lubbock High School in May. The bridegroom is a graduate of Hamlin High School, is employed by Horton Aero Service of Lubbock as a plane mechanic.

The couple will reside at 1862 San Jose Drive, Lubbock.

Mrs. Gene Prewit Gives Program for First Baptist Y.W.A.

A home mission study program by Mrs. Gene Prewit was presented at the Monday afternoon meeting of the Y. W. A. of the First Baptist Church.

Connie Jo Duncan, president, presided. Elizabeth Cunningham led the opening prayer.

Others present were Rosa Lovell, Lynn Miller, Teresa Jesse, Carolyn Reynolds, Carolyn Reynolds, Christy Wallace, Mary Margaret Turner, Mary Lois Patterson, Mmes. Everett Gibson and W. W. Wallace.

Alaska comprises almost one-sixth the entire area of the U. S.

Homemaking Class At DePriest Plans Fashion Show

The homemaking department of Oscar DePriest High School will present an evening of entertainment here Thursday at 7:30 p.m. in the Hamlin High School Auditorium. "Sweethearts of Fashion" will feature 40 models showing fashions for school, dress, sport and lounging. Guest models from Stamford will be on the program.

The garments have been made by the regular homemaking and adult classes.

Mrs. Ethel Cunningham is the homemaking teacher. Special talent members will be under the direction of the DePriest music department.

The public is cordially invited. Admission is 50c for adults and 25c for children.

Mr. and Mrs. Bobby Kiser of Amarillo were weekend visitors in the home of their parents, the Ester Hastings and the Kisers of Sylvester.

BAG TRICKS

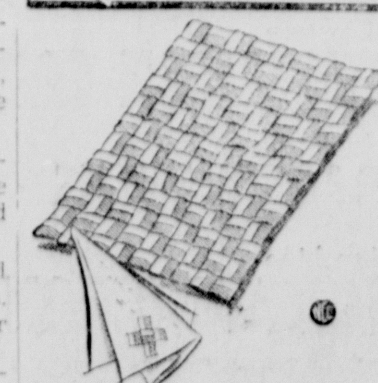

TABLE TALK—Cotton feed and flour bags in prints and solids can be woven basket-style into attractive placemats. Cut strips two inches wide, fold in raw edges to make a one-half inch strip, then press. Weave strips into mat and bind edges with bias tape. Trim napkin with small applique of woven fabric.

Deputy Grand Matron Visits Here With Eastern Star

Mrs. J. B. Gipson, of Haskell, Deputy Grand Matron District Two, Section Seven, visited the Hamlin Chapter No. 460 Order of the Eastern Star at their meeting here Tuesday evening, Feb. 4, at 7:30 p.m.

Mrs. Gipson was assisted by Mrs. Hamp Harris, Worthy Matron of Haskell Chapter No. 892, in giving demonstrations and instructions.

Mrs. Joe League is Worthy Matron and C. M. Abbott is Worthy Patron of the local chapter.

The meeting was in observance of the deputy's official visit and friendship night.

The program, "When Friends Join Hands", was given as a welcome to members and visitors.

Other visitors were Mr. and Mrs. O. L. Rich, Mrs. E. D. Nunley and Mr. and Mrs. Tom Davis.

A salad supper was served in the dining hall following the meeting.

Mrs. Burt Oliver Directs Program For Study Club

The Friday-two Study Club met Friday in the home of Mrs. C. R. Crowley for a program on communism directed by Mrs. Burt Oliver.

A panel discussion was presented by Mrs. Eddie Offield who discussed "What is Communism?" Mrs. Jap Kemp, "What Makes People Communists?" and Mrs. Jack Vaughan, "How Communism Began."

Mrs. Irby Weaver gave the Federation News.

During the business session with Mrs. Vaughan presiding, donation to Mesquite District the members voted to send a to apply on a gift for the District president, Mrs. R. W. Herren.

Ten mothers helped with the Mother's March of Dimes after the meeting.

The next meeting will be Feb. 21 when members are to invite a guest. A hat sale will be held as a money project.

Central Avenue Baptist Church Plans Banquet

The sweetheart banquet of Central Avenue Baptist Church will be a church wide affair as all members and their guests are invited to attend.

The banquet, using the theme "Stairway to the Stars" will be held at 7 p.m. in Fellowship Hall.

Rev. Lynn Garrett, music and educational director of The First Baptist Church of Anson, will be the featured speaker. Rev. Bill Irvin, local pastor, will be the master of ceremonies.

A king and queen will be selected from the 13 to 25 age group along with a king and queen from the 26 and older age group to be honored during coronation ceremonies.

B&PW Club Holds February Dinner Meeting Tuesday

The February dinner meeting of the Hamlin B & P. W. Club was held Tuesday evening in the primary cafeteria.

Mrs. Kenneth Riddle showed film of the Homecoming and Mrs. Martin Barnett presented a reading, "Let George Do It."

The meeting was under the direction of the International Relations Committee with Mrs. Lataine Owens as chairman. She was assisted by Mmes. J. W. Seifres, A. L. Carter, Theo Johnson, J. C. Bailey, and Miss Maggie Seymour.

Pauline Womack accompanied by her mother, Mrs. Royce Womack, sang "Blue Skies."

Mrs. Ross Walker of Breckenridge, sister of Mrs. E. M. Wilcox, was a guest.

The Valentine motif was carried out in decorations and in the menu.

The next meeting will be held Feb. 25 at 7:30 p.m. in Hamlin Memorial Library.

Methodist Youth Plan Banquet Here

The Methodist Youth Fellowship Banquet will be held Thursday, Feb. 22, at 7 p.m. in the Fellowship Hall of the First Methodist Church. The banquet will be for the junior high and senior high MYF groups of the First Methodist Church and Faith Methodist churches.

Reservations will be made by Monday, Feb. 17.

A group of McMurry College students from Abilene will present the program.

The U. S. National Park Service was established in 1916.

BERUFFLED—Blouses go feminine for spring. Here Sips 'n' Shore highlights the trend with delicate ruffles and tucks in a charming long-sleeved blouse. The green background of the gay cotton print is lit with hot pink, orange, and turquoise flowers.

Mrs. C. F. Cook To Host Garden Club Friday

Mrs. C. F. Cook will be hostess for the 3 p.m. Friday meeting of the Hamlin Garden Club. "All Summer Color in Gardens" will be the theme.

Mrs. Richard Young Jr., Mrs. L. B. Williams and Mrs. C. G. Green will take part on the program.

Mrs. Gerald Renfro of Levelland is visiting this week with her parents, Mr. and Mrs. R. H. Cooley.

HOW HAVE COTTON RESEARCHERS LEARNED FROM INSECTS?

THE TINY SPIDER MITE SECRETS A SUBSTANCE THAT CAUSES LEAFDROPS, A DESIRABLE PRACTICE JUST BEFORE PICKING COTTON

Agent Says Now Is Time to Take Soil Inventory

The soil is a good place to start farm income improvement for 1964. A soil inventory, points out County Agent, Kirby Clayton, should include a close study of the acres to be farmed or grazed since soils may vary in their productive capacity and adaptability to crops.

A logical first step, he says, is a soil testing program. The determinations from the soil testing laboratory will give needed information on the amounts of plant food required to provide the planned crop or pasture with the nutrients for top production. The fertilizer recommendations for a particular field will be based upon the analysis made of the soil sample submitted to the testing laboratory.

The county agent emphasized the importance of submitting soil samples which are representative of the field or pasture. The results of the laboratory analysis, he explained, will be no more accurate nor representative than the soil

sample submitted.

Producers are invited to contact your county agent for detailed information on how to take soil samples and also for report forms and soil sample containers. He also reminded gardeners that soil testing would help them solve soil fertility problems connected with their activities.

Keep Sharp Pencil Handy
A good sharp pencil is a handy item to have on a fishing trip. The point is an ideal tool for taking the snails out of a backlash.

Preserve Game Birds
To keep game birds like quail and doves fresh in a freezer, put them in old milk carton, fill it with water, staple it shut and freeze.

Hook Sharpener
One of those emery boards the little lady uses in doing her nails is the perfect tool for sharpening fish hooks and keeping them in fine condition.

Coronado reached the Grand Canyon during his exploration of the Southwest in 1540-42.

FAIRVIEW NEWS

By MRS. ELMER JOINER

Another nice rain fell the past week, and combined with what fell the week before, makes everything look a lot brighter. Wheat looks so pretty and green and is beginning to grow, which will really be a help to the cattlemen.

Former pastor, Rev. Doyle Combs and his family, were visitors in our community Friday night. Having supper with the Woodrow Goodwins, they and the Goodwins went to Mr. and Mrs. E. A. Henrys, to visit, the Combs family spending the night with the Henrys.

A good crowd attended the Study Course at the church Wednesday night. The book, "The Letter to the Ephesians," is being taught by Mrs. Leverett. The fifth and sixth chapters will be studied Wednesday night.

Mr. and Mrs. Buck Joiner and children, Odessa, visited with her parents Mr. and Mrs. Charlie Durham, in Hamlin, Saturday night, and Sunday, Mr. and Mrs. Joiner and Susan, visited his parents, Mr. and Mrs. Elmer Joiner, the boys, Charles and Jerry visited with their cousin, Larry McCoy. Mr. and Mrs. J. E. McCoy also visited with them in the Joiner home Sunday afternoon.

Boyd Henry, Elgin, has been visiting with his grandparents, Mr. and Mrs. E. A. Henry several days. Boyd, a recent graduate of State University at Austin is going in service around March 1st, where he will enter Officers Training School. He has enlisted for three years.

Monday morning Mrs. Henry and Boyd were going to Higgins, to visit his sister, Mr. and Mrs. Mack Sansing and girls, planning on returning Wednesday.

Mr. and Mrs. Wilson Gray received a phone call from Houston, informing them of the arrival of another little daughter, weighing seven pounds and

ten ounces, born to Mr. and Mrs. Royal Bills, Sunday morning. This makes the Grays two boys and two girls as grandchildren.

Mr. and Mrs. Joe Ford, Mr. and Mrs. H. L. Ford, Spencer and Diane and Mr. and Mrs. Fred Rosenbaum, all visited with Mr. and Mrs. Henry Saturday night.

Having attended a meeting of the Jones County Fair board, in Anson, this Monday morning, will take this opportunity to say that if you have not supported the Jones County Fair, they are in need of financial help on their show barn, at this time and any donations by civic minded persons will be appreciated. The Fair is a county wide affair and with the addition of the horse show, has grown to be a nice place to go, and although it is early to think about it, plan to attend and take some thing to show.

If you think a preacher can't be an ecrobat also, you should have been on hand Sunday night after services, to see our pastor climb an upended bench, to reach an electric light fixture that has needed a new bulb for some time, which all went to prove that there is more than one way to skin a cat, since it was always a trip to town to borrow a ladder and one to return it.

There is an oil rig set up and drilling, on the former Herbst home place, now owned by John Green, of Hamlin.

Texas Draft Call Set for 517 Men

AUSTIN. — The State draft quota for March calls for 610 men, compared to 517 for February, Col Morris S. Schwartz, state Selective Service director, said Wednesday.

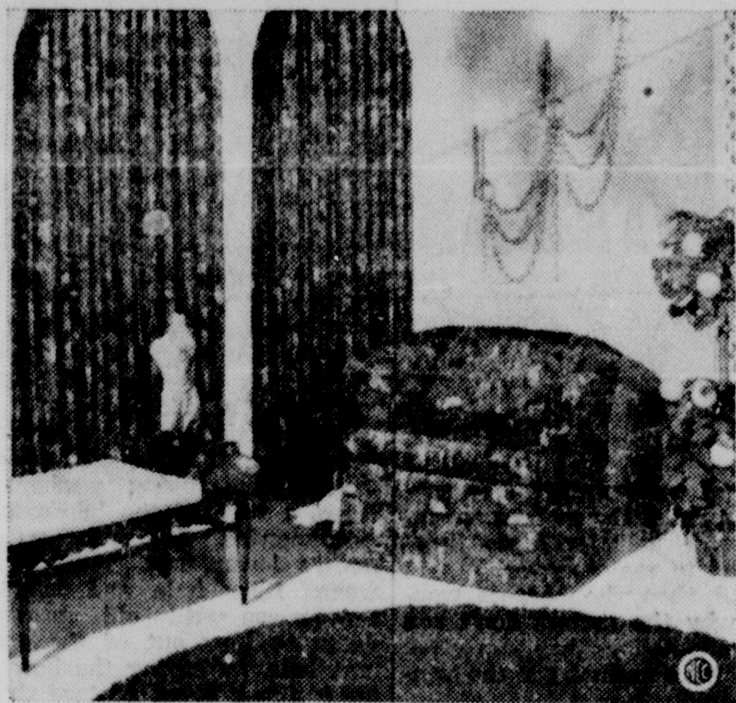

The state quota of 610 for March is the Texas share of a national call for 14,000 men, all for the Army.

The state Selective Service director also announced pre-induction physical and mental examinations for 6,000 men in March.

Marriage Licenses

Jimmy Dool and Clara Dwayne Herd, Aspermont, Ronny Gene Crumpler and Lottie Darlene Townsend, Anson.

Gary Lee Wedeking and Rita Faye DuRose, Stamford.

CHARMING CORNER—All-cotton warp sateen used as drapes and upholstery fabric adds charm to a decorative corner of a room. The Du Pont "Savalux" fast colors in the fabric combine beauty and outstanding fastness to sunlight and laundering.

SIX FLAGS TO OPEN SEASON
APRIL 18; FRI. NIGHTS ADDED

Six Flags Over Texas will commence its 1964 operating season on Saturday, April 18, according to an announcement by Angus G. Wynne, Jr., president.

Following the opening weekend and for the first time in the popular theme Park's history, Six Flags will be open every Friday evening in addition to a regular Saturday and Sunday spring schedule. Operating hours have been set for 5 p.m. to 11 p.m. on Fridays and 10 a.m. to 10 p.m. on Saturday and Sunday.

"We have inaugurated the Friday evening program in response to a significant number of requests that turned up on our guest surveys during the 1963 season," said Mr. Wynne. "Also, according to the Texas State Highway Department sur-

veys, these days many out-of-state travelers are taking advantage of our balmy spring weather for a three-day weekend rather than two. "Fridays have been busy days at the various highway information bureaus as visitors have already begun to inquire if Six Flags will be open on Friday nights, arrive in the Dallas/Fort Worth area, "Mr. Wynne continued.

"Another factor was a service to the young people. Now, students and young adults will be able to take their dates and enjoy a special Friday evening of dancing and hootenanny programs in a clean, wholesome atmosphere in addition to the Park's regular rides and attractions," he added.

CATTLE FEEDERS TO REMEMBER 1963 AS YEAR OF DISCONTENT

Many cattle feeders will remember 1963 as the year of their discontent. The cause was low profits, and the primary culprits were falling feed prices and higher feed costs.

Also contributing to the low profits was the cost of feeder cattle in relation to the price of fed cattle according to the latest summary published by the Cattle Feeders Division of the Texas and Southwestern Cattle Raisers Association.

Lloyd Bergsma of Fort Worth, director of the Cattle Feeders Division, said at year's end the price of 900 to 1,100 pound choice steers in Chicago was down \$6.25 per hundred compared to prices a year earlier. Prices on 500 to 800 pound good feeder steers at Omaha were down \$3.70 per hundred during the same period. Cattle prices followed a downward trend nearly all year.

Spray the entire powerhead with a coating of corrosion prevention to protect the finish of all parts beneath the cowl. The exterior of the motor also can be sprayed to protect the finish.

Remove the propeller and clean the shaft with steel wool; then apply graphite grease and re-install the propeller.

If you plan on leaving the motor on your boat, perhaps leaving the entire rig on a parked trailer, disconnect the battery terminals. Clean the battery, paying particular attention to the removal of corrosion around terminal posts. Apply exterior corrosion and rust preventative. Check electrolyte and add distilled water as necessary to bring to recommended level.

It also helps to charge the battery until the specific gravity of the electrolyte reaches 1.260. Every 30 days re-check the electrolyte and take the specific battery reading. Apply a booster charge when hydrometer reading drops below 1.150. This may save your battery from one season to the next.

It is best to store the battery where it is not subject to temperature change.

Keep your motor in a clean dry location. It should be covered, but be sure there is enough air circulation to prevent moisture build-up.

Pour all the old fuel from your gas tank and slosh a little fresh gasoline around in the tank, to remove all oil deposits. Leave the tank open until all excess fuel evaporates.

If you don't want to go to this much work, take your motor to your outboard dealer and let him make the necessary maintenance. In the long run it will be much cheaper than if you have to take it back to him in the spring, after nature has had a chance to take its toll.

Surrender of 12,500 Union troops to Stonewall Jackson at Harper's Ferry was the largest in U. S. history prior to Corridor.

OLD GLORY ...

55th Wedding Anniversary

Mr. and Mrs. O. D. Vanderworth Sr. observed their fifty-fifth wedding anniversary at their home northeast of Old Glory on Sunday, Jan. 26.

It was a surprise to the couple when their family began arriving with baskets of prepared food and gifts for their parents. Five of their six children and their families were present. A son, O. D. Jr. and his family who live in Denver, Colo. were here Christmas, but did not return for the anniversary party. The couple's actual anniversary date was Jan. 28. They were married in 1909, sons, Mr. and Mrs. Eugene D.

Children attending were two Vanderworth and son, Abilene, Mr. and Mrs. Lee Roy Vanderworth, Old Glory, three daughters, Mr. and Mrs. Fred Teichelman and sons, O. Hamlin, Mr. and Mrs. Gus Rueffer of Wienert, Mr. and Mrs. Charles Grice and family of Memphis, Texas. Married grandchildren were Mr. and Mrs. Wesley Cotton Rhoads and children of Stamford, Mr. and Mrs. Jimmy Hale of Hamlin, and Mr. and Mrs. Lawrence Schonerstedt and sons from Castland.

Mr. and Mrs. Dalton Gill stepped by at the Jerry Johnston home last Thursday night to show their new son, Dalton Mitchell. He was born Jan. 20 and weighs six pounds. The Gills are at Flower Grove.

Mr. and Mrs. Adelbert Suter visited their daughter and family, Mr. and Mrs. John McGowan and children in Knox City last Sunday.

Basketball:

Old Glory boys continued to hold the number one spot in District 14-B as they defeated Paint Creek on Tuesday Feb. 4 63-49. Donald Boles led the way for Old Glory with 15 points. Butch Kahout made 7 points for Paint Creek. Old Glory girls are still in the lead for first place in the District even though they were defeated by the Paint Creek girls, 40-42. Nancy Vahlenkamp and

Beverly Garner each tossed 16 points for Old Glory that night. Paint Creek's Janny Morrison made 24 points.

Old Glory girls entered the Hardin-Simmons Tournament ment last weekend. They were again defeated when they met Hawley on Thursday night. The score was 64-49. Beverly Garner led the way for Old Glory with 18 points and for Hawley Bobby Watts and Joy Beasley tied with 24 points each. On Friday the girls were defeated by Paint Creek 55-41. Nancy Vahlenkamp made 20 points for Old Glory and Janny Morrison tossed 19 for Paint Creek.

Hugo Klump of Bartlett is here visiting with his sisters, Mrs. W. G. Wienke, Mrs. Tillie Dippel and a brother, Mr. and Mrs. Ben Klump.

Mr. and Mrs. Jerry Callicoaite, Guy and Jill of Midland visited here last weekend in the home of her parents, Mr. and Mrs. Charlie Letz and his parents, Mr. and Mrs. Delos Callicoaite.

Stamford Players Win Bridge Meet

Tuesday night winners in the Hamlin Duplicate Bridge meeting were, first, Mr. Harry Yates and Mrs. Grady Bowdrey, both of Stamford; second Jack Russell and Mrs. W. O. Wilbanks and third were Mrs. Floyd Brisco and Mrs. Starr Inzer.

BIRTHS

Mr. and Mrs. Boyce Ellison of Aspermont are parents of a girl, Lori Viann, born Feb. 8 at 6:28 a.m. She weighed 5 lbs. 8 oz.

Mr. and Mrs. Lionel Gonzales are parents of a daughter, Lucia, born Feb. 10. She weighed 8 lbs. 13 oz.

Mr. and Mrs. I. D. Acklin visited with her parents, Mr. and Mrs. Cal Watts of Anson on Sunday.

TIPS FOR OUTDOORSMEN

by Vern Sanford

Prolongs Battery Life

Between trips afield, reverse the batteries in your flashlight. Then if the switch accidentally is turned on, no harm is done, for the circuit will be broken. Then install the batteries properly when you're ready for your next trip out.

Carpets for Traction

A valuable item for the auto camper to have on hand, whether he's on the coast or inland, is two strips of old carpet, about 15 inches wide and six feet long. Keep 'em behind your spare tire. Next time you get stuck, slip the carpet strips under the rear tires for greater traction.

Silent Whistle Useful

Carry one of those silent dog whistles the next time you go deer hunting. If you see a deer with head down and you can't determine its sex, blow a blast on the whistle. Up will come the head and you'll be sure whether your target is a doe or a buck.

To Loosen Gun Screws

When its time to oil up your

firearms and you discover that some of the gun screws won't budge, heat them lightly with a soldering iron. It works every time.

Freeze Fish in Ice

To keep fish fresh in a freezer, try putting them in a pan of water first and freezing the entire tray. Next run some warm water over the pan. Out come the cake of ice—fish and all. Wrap the encased fish—ice and all—in foil and pop it back in the freezer. The frozen water will seal the flavor in.

Cover Muzzle With Shell

To protect your rifle bore from dust and rain while in camp, cover the muzzle with an empty shotgun shell. It is waterproof and does the job. Just be sure you remove the cover before firing the gun.

Fooling the Rabbit

If you jump a cottontail rabbit and miss your shot, don't give up the chase. A little strategy will put him in your sights again. Watch the direction the rabbit takes. Then travel in a wide circle and ap-

proach the spot, where the bunny disappeared, from the opposite direction. There's a good chance then that you'll get another shot.

If you pursue the cottontail straight on, the wise old rabbit will stay hidden until you give up. But the new approach will send him scampering into the open.

Coffee Grounds Useful

Don't throw away those coffee grounds. Fill a large box with a couple inches of dirt, put fish worms in the box, then cover with fresh coffee grounds this will keep 'em alive and as frisky as the day you caught 'em.

Plastic Bag Handy

When going deer hunting, carry a large plastic bag in the pocket of your hunting coat. It takes up very little room and makes a nice dry seat while sitting on a stand. Furthermore it serves as an excellent container for the deer liver when you head for home.

Portable Blind

Here's a good portable blind that works fine in the rice fields while hunting geese. Take a piece of canvas and paint it a straw color. While the paint is still wet, sprinkle real straw over the canvas. The straw will stick to the paint and when dry you can cover yourself in the field.

Cattfish Like Sardines

Here's a quick way to chum or around animals, Clayton of-

some catfish to your bait. Buy a can of cheap sardines or all-fish cat food and jab holes through the can with an ice pick or a knife blade. Then draw the can in the water, weighting it with a large singer or stone. Fish are attracted by the aroma from the leakage from the can. If you put baited hook nearby, you're in business.

Stockmen Warned Against Using Plant Pesticides

Using pesticides on animals which have been formulated for plants can be dangerous, warns County Agent, Kirby Clayton. His advice, don't do it.

He points out that although the same material may be used in some cases on animals or plants, the concentration and chemical formulation may be vastly different. If the insecticide is manufactured specifically for plant use, the formulation may contain solvents that speed up absorption by animals and result in poisoning. The difference can mean a sick animal.

Trouble most often comes, says the county agent, when directions on the labels are not closely followed. Pesticides are safe when used as intended by the manufacturer and in accordance with his recommendations.

When pesticides are used on

THE HAMLIN HERALD

FEBRUARY 13, 1964

fers these suggestions as trouble preventive measures—when treating for other pest problems in areas open to livestock. Particular caution is advisable when treating around water, feed or milking utensils. And finally, Clayton advises that pesticides be stored in their original containers so there will be no confusion when they are used and be sure to keep the label securely fixed to the container. Read and follow the manufacturer's directions and precautions; be careful of the label.

HIGH SCHOOL CARNIVAL TO BE HELD SAT. IN OLD GYM

The annual Hamlin High School Carnival sponsored by the Student Council, will be held Saturday, Feb. 15 in the old gymnasium. Each class has selected two booths, and activities will begin at 6:00. The seniors have selected bingo and a style show for their booths. The style show is to consist of all senior boys modeling girls clothing, and it will be held in the auditorium. For their pro-

jects, the juniors chose the cake walk and basketball throw. The sophomores are going to have a dunking stool and a penny pitch. A dart and sock throw will be sponsored by the freshmen and the Student Council has selected a miniature golf course as their booth.

The coronation of Mr. and Miss H. H. S. will follow the carnival and climax the night events. Nominees for the titles are Margaret Johnson and Randy Smith, freshmen; Glenda Hudspeth and Tommy Ferguson, sophomores; Barbara Graham and David Drummond, seniors. The selection

was made by the voting of the student body, and the coronation will take place at 8:45.

"The Worm Shall Squirm", a comedy in three acts, has been selected by the senior class for their play. Try-outs were held last week and characters for the play have begun rehearsals. Characters selected are Gary Jay as Homer Dunhagen, a high school principal; Kathy Hallmark as Berthe Homer's wife; Ronnie Teichelman as Leroy Dunhagen, a typical seventeen year old boy; Sue Johnson as Rosemary Dunhagen, a beautiful sixteen year old girl; Judy Fitzgerald as Phyllis Dunhagen, a troubled fourteen year old; Kay McCoy as Mrs. Brunhilde Burton, a talkative and enthusiastic neighbor; Anna Adams as Jenny Burton, a beautiful; Candy Thompson as Penny Burton, Jenny's sister who is also a beatnik; Barbara Lakey as Diane, Leroy's girlfriend; Ronnie Sipe as Mr. MacDonald, the head of the school board; Doyle Bell as Rash Hudson, an ever bearing, comical boy; and Jaylon Fincannon as Buzzy, Leroy's buddy. Polly Jackson was named as student director, and Marsha Goodgame and David Bingham are the understudies. Mrs. I. R. Fowler is directing the play.

The Pipers and Piperettes will host the Haskell Indians Friday, Feb. 14, in the last district contest for the boys.

CHECK THIS LIST BEFORE YOU MAIL FARM INCOME TAX FORM

Here is a list of things to check before you mail your income tax forms. Some are often overlooked items which may result in over-payment of taxes points out County Agent, Kirby Clayton.

Did you take advantage of investment credit on machinery and equipment purchased since December 1962? This can reduce tax by 7 percent of the eligible investment provided the credit is taken for the first year. The credit must be claimed, otherwise it is lost. Allowable credit for 1962 investments that was overlooked can be claimed by filing an amended return for that year.

Did you take under 30 percent of the contract price on property sale? If you received no more than 30 percent during the year of sales, the transaction qualifies as an installment deal. In such cases, you can spread the gains over the remaining payment years. Otherwise, the total gains must be reported for the year of sale and tax paid thereon.

Did you charge a portion of the family car's depreciation to the farm? Cost directly associated with the farm or ranch operation is a deductible ex-

pense.

Did you include actual payment to your children for the farm work they did? Bonafide wages paid or deductible and if a child's total earning exceed \$600, he gets his own exemption. Parents may also claim him as an exemption provided he was in school and they furnished over half of his support.

Did you check about the cost of purchased livestock that died during the year? Any remaining cost in breeding, dairy and stock held for resale may be deducted.

Did you compare allowable deductions before taking the standard 10 percent deduction? You may be ahead by listing them, especially, if contributions, personal interest, taxes or medical expenses were unusually high.

Did you claim the cost of boarding and keeping hired help?

Did you make sure to get new machinery into the depreciation schedule?

Help you "tax 10", suggests Clayton by studying available publications. Such is 1964 edition of the "Farmers Tax Guide". Copies are available from your county Extension agent. This can be some of the most valuable reading you'll do this year, Clayton concludes.

The girls will meet Winters Feb. 18 for their last district contest.

WALKER'S MAN
owned by Don and Debbie Elmore

by Cecelia Johnson

(Editor's note: The following is the first in a series of articles written about the fine quarter horses to be found in the immediate area.)

Walkers Man, a three year old bay stallion by Wamp's Bars by Three Bars, owned by Don Elmore and his daughter, Debbie, is an outstanding three year old quarter horse now in training for roping. Elmore plans to be roping off him this spring.

The Elmore's, Don, his wife, June, Debbie, 10, and Randy, 6 are all interested in riding and roping. Don is a regular participant in roping events. June is a member of the West Texas Barrel Racing Association and competes regularly in barrel racing events. Debbie is also a member of the W. T. R. A. and competes in the junior division. Randy participates in flag races.

The Elmore's have several horses which include two registered mares. One of the mares is in training for barrel racing while the other is being

trained for track racing. Don, an employee of the post office here, in his spare time enjoys riding with his family and working with the horses in the small area on their place a mile north of Hamlin, just west of the Hamlin Riding Club arena.

Agent Warns of Winter Increase In Cattle Lice

Cattle lice may not create much of a problem in the warm months but it's a different story during the winter season, explains County Agent, Kirby Clayton. Closer confinement aids the spread of lice from infested to clean animals.

By the time the lice are easily seen, much of the damage has been done. The time to treat for lice is now while the infestations are light, says Clayton.

Sprays which are recommended and have Food and Drug Administration approval for use on dairy cattle are pyrethrins, rotenone and clove oil. The county agent advised that the manufacturer's directions on the labels on these insecticides be followed very closely.

Malathion, D-dane, corral, ronnel, toxaphene, chlordane, methoxychlor, ruclene, sevin and delvan are materials which may be used for lice control on beef animals. They are usually applied as dips or sprays. The county agent added that a second application, usually two or three weeks after the first, may be needed to get new lice as eggs hatch. Usually two treatments will control the pests on beef cattle for the winter unless new animals are placed in the herd or feedlots. Clayton recommends the treating of new stock before putting them with clean animals.

Lice generally cause milk production to drop in the dairy herd and weight loss in beef cows and reduced feed efficiency in feedlots, points out Clayton.

You can't be too careful in carrying out the manufacturer's directions, cautions the county agent. Treating milk cows with the wrong insecticide, treating them while they are in milk production or treating beef animals too near slaughter time can get you in trouble with the Food and Drug Administration.

Burleson Has Top Attendance

Washington, D. C. — A review of the record of the First Session of the 88th Congress that adjourned in December, shows Congressman Omar Burleson, 17th District of Texas, to be one of only 15 members of the House with a perfect attendance record on recorded votes. He was one of an even smaller group who did not miss a quorum call during the Session.

There were 119 recorded votes during the Session and Burleson was present and on record with a "yea" or "nay" on each. There were 137 quorum calls, and he was present in every instance.

Of the 435 Members of the House, the average vote on 84 per cent of the roll calls.

COUNTY DEMOS SET BUDGET AND FILING FEES MONDAY

Jones County Democratic Executive committee met Monday and set budget and made assessments against the various offices which will be filled this year.

Generally speaking, the assessments were based upon 11 percent of the annual salary of the office involved. In the case of state senator and state representative, the amount in this county is set by law at \$10. Democratic Chairman Louis Johnson said consideration was given also to the number of counties in which a candidate must file. The assessment against an office is divided among the candidates for the office. One candidate pointed out he is pleased to pay the full amount because the cost of making a race is

much greater than the cost of filing.

Assessments against the various offices were set as follows:

Congress, where candidates must file in 14 counties, \$212; district judge, \$715; district attorney, \$412.50; tax assessor-collector, \$686.40; county attorney, \$660; sheriff, \$660; county commissioner (precinct 1 and 3 this year), \$548; and constable Hawley precinct, \$59.40.

Candidates had to make a partial payment at the time of filing and have until Feb. 15 to pay the balance. Mr. Johnson said the executive committee anticipated a surplus of \$600 to \$800 which will be refunded but they felt it was necessary to have the extra money in case of some unforeseen development.

Because there likely will be but a small number of persons who qualify to vote simply by registering, Mr. Johnson said only one ballot would be prepared.

Persons who have registered without paying a poll tax are not eligible to vote for any but national candidates. The election officials at the polls will cross out all other races on the ballot given these persons, Mr. Johnson explained.

In the primary election, this will mean those who have registration slips will be permitted to vote only in the congressional race.

Beef Cattle Short Course Set in Roby During Next Week

Fisher County cattlemen are invited to attend a special Beef Cattle Short Course in Roby on Feb. 17, 18, 19, and 20, according to County Agent, James S. Norman. The program will get under way at the Agriculture Building on the Fair grounds at 7:30 p.m. each night with four different speakers conducting the course.

Monday night's program will be general beef cattle feeding practices, use of protein concentrates, and minerals, by L. A. Maddox Jr., Animal Husbandman, with the Texas Extension Service.

Tuesday night, beef cattle management practices, by Tom Hunter, extension area farm management specialist.

Wednesday night, animal health problems, also control of animal diseases and external and internal parasites, by Dr. C. M. Patterson, Extension Veterinarian.

Thursday night, mesquite control, grass seeding, and grazing and stocking practices, by G. O. "Man" extension range specialist.

The conducting of this educational course will be carrying out one of the recommendations of the livestock subcommittee of the Fisher County Program building committee.

Agent Sets Meet On Fertilizer in Office Feb. 23

There will be a meeting in the county agent's office on Thursday, Feb. 20, beginning at 2:00 p.m. to explain fertilizer application uses and other related information, according to information received this week from Jones County Agricultural Agent, Kirby Clayton.

Bill Gunter, A. & M. University Extension Agronomist Specialist will be on hand to bring the program.

All farmers, fertilizer dealers and others interested are invited to attend.

COMING EVENTS

Thursday, Feb. 13

Sweetheart banquet, First Baptist church, 7:30 p.m.

(Special events to be listed in this space should be brought to our attention by Tuesday noon.)

IN APPRECIATION FOR SERVICE—Joe E. Ford, outgoing president of Hamlin Board of Community Development, is shown above as he receives a plaque as a token of appreciation for his work during the past year. The presentation was made by Lloyd Burkhardt, right, who became the new president at the annual banquet held Friday night in the high school gymnasium. (Photo and engraving courtesy of Abilene Reporter-News)

Bill Dominey Has Further Surgery Following Accident

Bill Dominey, employee of the Celotex Corporation, underwent surgery in Abilene Monday for further treatment of a serious injury which occurred at the local plant Friday morning, Jan. 31.

Dominey was injured in a freak accident when he stepped into a screw type conveyor. His left foot was severed and his leg badly mangled. After emergency treatment at the local hospital, he was carried to Hendricks Memorial Hospital where the leg was amputated about four inches above the knee.

The surgery will prepare the leg for further surgery next week when skin will be grafted. He is expected to remain in Abilene for about three to four weeks before being transferred to the local hospital.

April 15 Deadline For Car Inspection

"April 15th is the deadline for several things, one is having your motor vehicle inspection certificate on your car," warned Major Leo E. Gossett, Commander of the 49 county west Texas Region of the Department of Public Safety.

Captain R. M. Hammett, who heads the Vehicle Inspection Service for this area stated, "Our records show less than one third of the vehicles in this area have been inspected since the new inspection year began September 1, 1963 and this means several thousand vehicles must be inspected in the two months remaining."

All motor vehicles are required to display a valid inspection certificate on or before April 15 deadline. Those who fail to comply with this law are subject to a fine of not less than \$100 and costs or more than \$200 and costs. "May we encourage our motorists in this area to go in now and have this safety inspection made as there are sure to be long lines waiting before the deadline," Hammett said.

PHILOSOPHER CAN UNDERSTAND HOW SPACE EXPERTS FORGOT TO TURN ROCKET FUEL ON

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 takes note of a human failing this week.

As I understand it, a couple of weeks ago the space scientists started to fire a rocket at the moon and after making elaborate preparations for the multi-million-dollar shot, with the best brains in the business figuring the timing and the aiming just right, with all the electrical circuits tested and re-tested, and with all the lights blinking and flashing, the count down began, the thing was ignited, then it fizzled.

Somebody forgot to open a hydrant in the fuel line. A friend of mine was talking

about it and he was outraged. "You'd think with all them brains, somebody would have thought to turn the gas on," he said.

This is because he doesn't understand us thinkers. When a man's mind is charged with deep thought it's about moon-shooting or operating a Johnson grass farm, a lot of little details can get by him. It hasn't been a week since I had a neighbor over here pulling my tractor with his to get mine started and we'd darg'd it around the place four times before I discovered I hadn't turned the gas on at the filter bowl. Me and the space scientists both can over look the little things when our minds are on the big things.

Or consider this in another area. I wouldn't be a bit sur-

S. L. TATE JR. ELECTED NEW ROTARY HEAD

S. L. Tate Jr. was elected president of the Hamlin Rotary Club at the noon meeting Wednesday, Feb. 5. He succeeds L. J. Cunningham and will assume the responsibilities of the office July 1.

Other officers include James Rodgers, vice president; Kenneth Scott, secretary, who was re-elected.

New directors are Ned Moore and Garland Preston.

Holdover directors are Carl Murrell and L. R. Witt.

33 Criminal Cases Disposed of in County Court

Judge Leon Thurman called the docket in Jones County Court Monday and disposed of criminal 33 cases, setting others for trial at a later date, and heard three probate cases.

Of the 33 disposed of, five were pleas of guilty with the balance being dismissed on motion of the county attorney, Charles Brownfield. Judge Thurman explained that in some instances the charge was faulty and in others there was insufficient evidence for conviction.

Three cases are set for trial Thursday of next week, others set for Monday, Tuesday and Wednesday, Feb. 24, 25 and 26, and still others for March 6, 9 and 10.

O. H. Weaver Takes Over Station

O. H. Weaver Sr., new owner of the Texaco service station at 452 South Central took over the operation Monday of this week.

Weaver, a native of Hamlin, is the son of Mr. and Mrs. J. L. Weaver. He and his wife, the former Fayrene Gardner, have one son, O. H. Jr. Mrs. Weaver's mother, Mrs. W. E. Gardner lives with them.

Two Terms Expire On School Board; Election April 4

Qualified voters in the Hamlin Independent School District will be voting for two positions on the Board of Trustees in the election Saturday, April 4. The terms of Fred B. Moore Jr. and Revis Robertson will expire April 4 and both have announced that they will seek re-election to their posts.

Supt. C. F. Cook outlines requirements for a candidate for trustee as follows:

1. Must be qualified voter in the Hamlin Independent School District.
2. Make a written request to the secretary of the Board, Mr. Richard Young Jr. requesting that name be placed on ballot.
3. Must sign loyalty oath.

The above requirements must be fulfilled at least 30 days before the election date, March 4.

Only those persons who have a current poll tax receipt will be eligible to vote in this election.

Pipers Lose Close Game to Stamford

In a game that saw the score tied at several points during the game, the Stamford Bulldogs downed the Pipers here Tuesday night, 62-57. Robert Pearce lead the Pipers with 21 points and Stephen Haterius was high for Stamford.

STAMFORD — Haterius 7 5 19; J. Jones 0 0 4; L. Jones 2 2 6; Samuels 1 1 3; Grissom 2 2 6; Bredthauer 2 1 5; Taylor 2 1 5 Holcomb 2 12 16. Totals: 18 26 62.

HAMLIN — Pearce 9 3 21; Butler 7 3 17; Ledbetter 2 7 11; Shivers 5 3 13; Bell 1 0 2; Fincannon 1 1 3. Totals: 25 7 57.

STAMFORD 16 30 46 62
HAMLIN 16 32 41 57

Kent-Stonewall Theme Contest Winners Told

The Annual Theme Contest sponsored by Kent-Stonewall S.C.D. was completed last week. There were 17 entries and for the second straight year, all entries were graded Blue, Ribbons and Special Award be presented at a later date.

The Senior Contest was won by Carolyn Sander, with Judy White placing second and Brenda Dalby winning third. Junior Winners were: 1st place, Reva Letz, 2nd place, Judy Sander, and 3rd place was won by Weldon Spitzer.

Other winners as follows: Junior Winners — All Blue Ribbons: Gary Six, Rita Baldree, Brenda Palmer, Henry Wooldridge, Dale Letz, and James Gholson.

Senior Winners — All Blue Ribbons: Ann Cumble, Mike Baldree, Perry Workman, Eca Cochran and Troy Windsor.

The Jones-Fisher singing will be held Sunday afternoon Feb. 17 at the Foursquare Church at 1:30 p.m. Everyone is invited.

Banquet Friday Well Attended

Lloyd Burkhardt, new president of the Hamlin Board of Community Development, pledged a "sincere effort" to see that the Hamlin BCD "take care of the little things," expressing confidence that if that is done, "the bigger things — such as industry — will come" when he accepted the responsibilities of the position at the BCD's annual banquet Friday evening.

A capacity crowd was on hand for the banquet in the high school gymnasium when guest speaker was Lewis R. Timberlake formerly of Stamford and now vice president of Western Republic Life Insurance, Austin. Local visitors and out of town guests numbered 311.

Timberlake told the assembly that the "greatest gift the nation's smaller communities can give is to assist in the rebirth of the attitude of honor and respect for the individual."

He said, "We need to regain the 'flavor' of believing in ourselves," and pointed out that the need applied to both individuals and communities.

Linking, inseparably, community progress with the acceptance of individual responsibility he urged all who seek progress to "lose yourself in something bigger than yourself" and in doing so, "give it your best."

Retiring President Joe E. Ford was presented a plaque by Burkhardt for his outstanding service during the past year.

S. L. Tate Jr., master of ceremonies introduced guests and presented the Hamlin High School stage band. The group, with Gary Ted Jay, student director, conducting in the absence of director Tim Jones, presented modern arrangements of popular tunes.

Ford introduced the officers and directors for the current year who will be serving with Burkhardt. They are: C. F. Cook, first vice president; Lewis Madden, second vice president; Edgar Duncan, third vice president; James Rodgers, treasurer; and Mrs. Ned Moore, secretary.

First year directors are S. C. Ballew, Rod Brown, Wesley Nail, L. J. Cunningham, Lee Hastings, B. O. Bell.

Second year directors are Burkhardt, Cook, Madden, Ned Moore Rodgers and Ernest Williams. Third year directors are T. C. Blankinship, David Case, Duncan, John D. Ferguson, Dewey Nunley and E. J. Whaley.

Retiring directors are Floyd Clifton, Bob Craig, Ford, Robert Fowler, Herman McBride and Donley Williams.

Ex-officio directors who were introduced include James Wright, president of the Hamlin Jaycees; Hollis Madden, Mayor of Hamlin; Dr. M. L. Smith, public health officer and Rev. Cecil Stowe, president of the Ministerial Alliance.

The speaker was introduced by Bob Craig who also served as general chairman for the banquet. Rev. Stowe gave the invocation and Tate gave the benediction.

Decorations were by the Hamlin B & P W Club.

Mrs. W. M. Fancher Buried Monday in Neinda Cemetery

Mrs. W. M. (Della) Fancher, 91, died at 8:50 p.m., Feb. 8, 1964 at the Stamford Sanitarium.

Services were held at 2 p.m. Monday at the McCauley Baptist Church with the pastor, Rev. Edwin Peeples and Rev. Gerald Tidwell of Fort Worth officiating.

Burial was in the Neinda cemetery.

She was born Nov. 27, 1872, at Goshen, Texas. Her parents were Mr. and Mrs. James Foreman.

She was married in Fannin County, Texas to W. M. Fancher, who preceded her in death Nov. 8, 1903.

She was a charter member of the McCauley Baptist Church.

Survivors are three sons, Jim of McCauley, Willie of Hamlin and Rufus of Fort Worth; three daughters, Mrs. W. H. (Maudie) Barton, Mrs. Ted (Lizzie) Abbott, Mrs. C. A. (Eula) McHone all of McCauley; one sister, Mrs. Lida Peterson of Gustine, Texas, 16 grandchildren, 36 great-grandchildren and seven great-great-grandchildren.

Pallbearers were George Mahberry, Ernest Webb, C. D. Jones, Dick Mahberry, J. V. Eddington of Abilene and Hoyt Bland of Post.

PIPERETTES CINCH DISTRICT HERE TUESDAY

The Piperettes cinched District 6-AA championship by beating Lakeview 64-60 here Tuesday evening.

At the end of the first quarter the Piperettes were trailing 7-12. The Maidens widened their margin to a 13 point lead in the second quarter before the Piperettes narrowed to a 24-28 deficit at half time.

In the second half the score was tied up 12 times. The Piperettes managed to get a one point lead and with two minutes of playing time left in the ballgame stalled the ball and in doing caused the eager Lakeview girls to foul giving the local girls five charity tosses.

Free throws accounted for 32 of the 64 points. Outstanding performers were Barbara Lakey, six rebounds; Cheryl Brown, five stolen balls; Judy Jenkins, 87.5% at the free throw line; Kay Hodnett and Phyllis Scarborough, each five rebounds. Lakes was high scorer with 45 points.

New Polio Vaccine Now Available At Hospital Here

The new triple vaccine for polio is now available locally according to Dr. M. L. Smith, public health officer. All three strains are combined in the new vaccine. It is taken orally in two doses eight weeks apart.

The vaccine can be administered to children from six weeks to six month of age and to adults.

If a person has had one or two of the Sabin Oral vaccine doses but is not sure of the type or the date taken, it is recommended that they take the new vaccine. The doctor added that there is no danger of "getting too much."

The new vaccine is now being given at the Hamlin Memorial Hospital.

Dr. Smith also reminds that all persons having received the three types of Sabin vaccine will need to have a booster two years after the last dose.

POURING STARTS ON HUT—The concrete slab for the Boy Scout Hut was poured here Monday as work started on the 20 by 40 foot building last week. The fund drive being held by the Hamlin Lions Club has reached \$2,000 with a few pledges still out, according to W. T. Johnson, chairman. Callens George is in charge of construction of the concrete tile building.

THE MINISTER SPEAKS—

'FOLLOW ME'

by Rev. Royce Womack
Pastor, First Methodist Church
"FOLLOW ME" Mt. 16:24-28

Somewhere I read the story of a man that felt he had to go by the tavern every morning on his way to work. On this particular morning, the ground was covered with snow. Shortly before he reached the tavern, he looked back to see that his young son was following him. He retraced his steps back to the son, and scolded him for being out in the weather, and told him to go home. The little boy looked up to his father and said: "But, Daddy, I'm just following in your footsteps." The story was a happy ending; in that the father came to his senses and vowed he would never drink again, that he did not want to be responsible for leading his son in the wrong direction.

One of the tragedies of our day is that parents do not have to go by the tavern to get their drinks, they only have to go to their refrigerator.

This story leads us to the point where we need to ask ourselves the question, "Where am I leading my children?" Do my footsteps lead in the direction that I can point with a feeling of pride, or is it with a sense of shame? We are not only responsible for the children of our own family, but we must realize that others are watching what we do with our lives. What kind of influence are we having on others?

We live in a world in which so much depends upon what we say, what we do, and what we are. We have been remind-

ed of the statement, "What you are, speaks so loud, I can't hear what you say."

Perhaps most of us will not be guilty of leading our children to the tavern, but where are we leading them? On Sunday when people should turn their steps toward the Church of their choice, can Christ count on you to be in your place? There are times in which you may not be able to go with your family to Church, but what about those Sundays that you could go, but don't want to, but had rather find something to occupy your time.

The world has always needed to follow Christ, and today is no exception. Our lives are filled with anxiety, unrest, and fears, some of our fears will never happen, but if we will be willing to commit our lives to Jesus Christ, we can be assured that He will never lead us astray.

May we be willing to examine our lives, see what kind of influence we are having on others, and with God's help do our best to see that we will not be responsible for misleading anyone. May we look again at the words that Jesus spoke as recorded in Matthew: "If any man will come after me, let him deny himself, and take up his cross, and follow me. For whosoever will save his life shall lose it; and whosoever will lose his life for my sake shall find it." (Matt. 16:24, 25).

Anhalt, Texas, in Comal County, is named from the German word meaning stopping place.

ELECTRICAL WEEK - FEBRUARY 9-15, 1964 - ELECTRICITY POWERS PROGRESS - NATIONAL

FROM the beginning of time, man has striven to find a source of power to make life more enjoyable; to reduce his work load. Meager ideas have led to the greatest source of energy for turning dreams into reality... electricity. There is virtually nothing that electricity cannot do... faster and cheaper than any other form of energy.

America's growth to the dynamic and industrialized civilization that it is today stems from the country's utilization of electrical power to produce a better way of life, more products, jobs and services.

Electricity powers progress... something to think about during National Electrical Week.

West Texas Utilities, an investor-owned company, is proud to be a part of the Electrical Industry and to pay its respect to the Industry founders.

FIVE YEARS AGO:

Recent efforts of the Hamlin Board of Community Development to secure the location of correctional school for the Hamlin area have been given some attention in Austin but leaders of the project were advised that apparently the effort is a little late.

Members of the McCaulley Baptist Church conducted a ground breaking service Sunday. The service was held at the site of the proposed new building, where the old building had stood.

The ground breaking was conducted immediately following the morning worship service of the congregation.

TEN YEARS AGO:

Total of 49,176 bales of cotton had been ginned in Jones County prior to January 16, according to the latest government report.

Around 400 people are expected to attend the annual membership banquet of the Hamlin Chamber of Commerce Thursday night at the Junior High School auditorium, according to C C officials.

FIFTEEN YEARS AGO:

Record number of entries for the annual Club Boys Livestock show, to be held this year at Anson on March 4, is in prospect, according to W. H. Lehmberg, County Agent.

Haskell W. Carter was elected president and W. C. Russell vice president of the Hamlin Chamber of Commerce when directors of the civic group met Tuesday morning in business session.

TWENTY-FIVE YEARS AGO:

Clover Farm Store advertises the following specials: Three pounds Crisco, 53 cents; family style steak, 17 cents pound. Using a Valentine theme, Virginia Sue Flowers entertained members of the Philanthropy Sunday School Class of the First Baptist Church Tuesday evening in her home. Present were Elva Greenway, teacher; Juanita Harbert, Kathleen Elliott, Mary Stovall, Dorothy Hines, Betty Myrl Routt, Ruth Eckler, Inez Howard and the hostess.

THIRTY-FIVE YEARS AGO:

Truett May, student in Simmons University at Abilene spent the weekend with his parents, Mr. and Mrs. M. P. May.

Mr. and Mrs. Ed Neinstadt were guests Sunday in the home of Mrs. Mari Farrow and Rev. and Mrs. J. Henry Littleton. Mrs. Neinstadt will be remembered here as Thelma Sykes, a former teacher in the Hamlin Schools.

PREPARATION

Thousands of Christians throughout this great nation spend hours of serious study,

searching the scriptures and commentaries written by scholars who have

dedicated their lives to the task of seeking out the full meaning of God's Word.

These willing workers, teaching from the Bible

each Sunday, feel that their work is vital

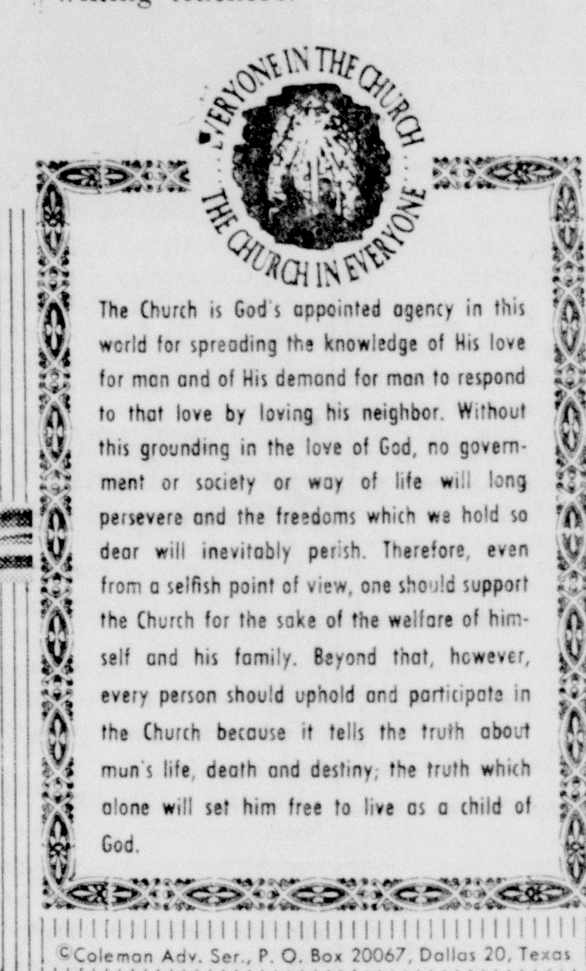

to the fulfilment of your spiritual life.

Won't you accept the invitation to attend

church as offered by the sponsors of this space,

and receive the benefits offered by these

willing teachers.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex. — Twenty-eight Democratic and 15 Republican candidates banged through the starting gate before last week's filing deadline in a dramatic beginning to a political year that opened with relative calm.

A ruckus over the would-be U. S. Senate candidate of McAllen Congressman Joe Kilgore, and Gov. John Connally's last minute hesitancy about running for re-election, highlighted the filing deadline spectacular.

Kilgore decided not to run against U. S. Sen. Ralph Yarborough. Connally, acknowledging that he had considered retirement, went ahead and filed for a second term.

Conservative Democrats boiled over the Kilgore incident, said it might result in a second Republican senator from Texas.

Jack Cox, the GOP 1952 candidate for governor against Connally, was a surprise entry in the Republican senate contest — at five minutes before deadline.

The Republicans fielded a complete slate for state offices (except judicial) and congressional races.

Connally ended up with opposition from liberal Don Yarborough of Houston, M. S. Johnnie Mae Haskeworth of Brenham and Rev. M. T. Banks of Beaumont, a Negro. Republican candidates for Governor are Jack Crichton of Dallas and Harry Diehl of Houston. Yarborough is opposed by Democrats John Van Coughlin and Gordon McLendon, both of Dallas. Cox and George Bush of Houston, and Dr. Milton V. Davis and Robert Morris, both of Dallas, are the GOP senatorial candidates.

Here is the complete lineup for other statewide offices: Lieutenant Governor — Preston Smith of Lubbock (incumbent).

Incumbent Albert Puentes Jr. of San Antonio, Democrat; and Horace Houston of Dallas, Republican.

Congressman-at-large — Incumbent Joe Pool of Dallas, Bill Elkins of Greenville, Robert W. Baker and Bob Looney, both of Houston, Democrats; and Bill Hayes of Temple, Republican.

Attorney General — Incumbent Waggoner Carr of Lubbock, Democrat; and John Trice, Waco, Republican.

Commissioner of Agriculture — Incumbent John White of Wichita Falls and Millard Shivers, Waco, Democrats; and John B. Armstrong, Kingsville, GOP.

Land Commissioner — Incumbent Jerry Sadler of Grapevine and Fred H. Williams of Dallas, Democrats; and John A. Matthews of Abilene, GOP.

Comptroller — Incumbent Robert S. Calvert of Austin, Democrat; and Dallas Calmes Jr., Houston, GOP.

Treasurer — Incumbent Jesse James, Austin, Democrat; and Fred S. Neumann, Beaumont, Republican.

Railroad Commissioner (full term) — Incumbent Ben Ramsey, San Augustine, Democrat.

Railroad Commissioner (expired term) — Incumbent Jim C. Lanier of Austin, and Jesse Owens of Vernon, Democrats; and Don Flanagan, Richardson, GOP.

Supreme Court, Place 1 — Sears McGee of Houston and Jack Pope of San Antonio, Democrats; and T. E. Kennerly, Houston, GOP.

Supreme Court, Place 2 — Ruel C. Walker, Cleburne, incumbent, Democrat.

Supreme Court, Place 3 — Incumbent Robert W. Hamilton, Midland, Democrat.

Court of Criminal Appeals — Incumbent K. K. Woolley of Austin, Democrat.

Thirteen of Texas' 23 con-

gressmen escaped opposition in their own primaries, but for the first time in history there will be a Republican to deal with in every district come November.

"INSTANT" HOSPITALS — The State Health Department is keeper of some 92 storehouses of medical and treatment supplies, furnished by the federal government, which could be converted into hospitals almost instantly in the event of disaster.

Eleven more "hospitals" are expected to be added to the list this month, and a master plan calls for 450 of these facilities eventually. The State Health Department is directing the Civil Defense Emergency Hospital program, and encourages local authorities to provide the needed storage space.

APPOINTMENTS — Governor Connally appointed Frank R. Appleman of Fort Worth, a University of Oklahoma graduate, to the board of Regents of Texas Woman's University of Denton.

He then picked Myrlin O. Johnson of Harlingen to preside over the 107th District Court in Cameron and W. J. Counties. Johnson replaces Judge Hawthorne Phillips who resigned to become Attorney General Waggoner Carr's assistant.

BUSINESS IMPROVES — The 1953 index of Texas business activities was up 5.4 percent on the average monthly level over the previous year, according to The University of Texas Bureau of Business Research.

Austin, Amarillo and Beaumont showed highest gains. They were followed closely by Corpus Christi, Houston, Fort Worth, Galveston and Waco.

No city showed a percentage decline. Bureau predicted that 1954 will be another good year as far as personal income and business activity is concerned if the federal income tax bill now in the Senate is passed.

CIVIL DEFENSE SPACES — Texas now has 1,800,000 licensed civil defense shelter spaces of a total of 1,900,000. Regional Director Bill Parker told a conference here.

These seven cities have fully-stocked shelters, Parker said: Abilene, Baytown, Bryan, Dallas, Spring, Denton, Odessa and Tyler.

BRACERO PROGRAM — The U. S. Congress has extend-

ed the bracero program for another year — through 1964 — as a compromise between the close-out or phase-out argument by states where the contract laborers from Mexico are employed. However, figures from the Texas Employment Commission indicate that a phase-out has been in effect in Texas for the past two years.

Henry LeBlanc of the commission's farm labor division reports that 38,000 braceros worked on Texas crops in August, 1961; 12,917 in August 1962; and 12,038 in August 1963.

WATER SUPPLY — Texans in the future may get very thirsty if they don't plan ahead to catch and save more water. This conclusion and other information about water, including the fact that since 1880 Texas has been using up its water resources at a rate 11 times faster than its population growth, has been spelled out for students.

The water story has been published in a 40-page illustrated booklet, "How Can We Meet Our Water Needs?" prepared by the Texas Society of Professional Engineers and printed by the Texas Education Agency.

Education Commissioner J. W. Edgar has notified school superintendents that 3,000 copies of the booklet on one of the state's most vital problems are available on request for use as resource material in junior and senior high schools.

SHORT SNORTS — The Texas Tourist Development Agency awarded its \$250,000 advertising contract McCann-Erickson, Inc., Houston advertising agency.

Texas Liquor Control Board collections for December amounted to \$40,701 as the result of 609 convictions and 77 jail terms for liquor-law violations.

Land Commissioner Jerry Sadler ordered a full investigation when he learned that seven oil wells on a state lease in Comal County had been plugged without his approval.

Texas State Teachers Association president, Mrs. Elizabeth Little of Corpus Christi, said public school teachers in the state this year will receive a salary almost \$600 below the national average; teachers group has voted to fight for a salary increase when the 59th Legislature meets.

Governor Connally authoriz-

ed removal of the three remaining Confederate widows now housed in the Confederate Home for Women in Austin to a "first-class" nursing home, where he said they would receive better treatment and at less expense to the state.

Banks in El Paso and Burnet were granted charters by the State Banking Board while application of Jacinto City State Bank was declined and action again was postponed on bids for two new banks in Midland.

Governor Connally got a new lighter cast on his damaged right arm was pronounced in pretty good physical shape, but doctors said it will be six or eight months before he regains full strength.

Excise taxes collected on cig-

arettes in Texas last month came to \$7,300,000, up from \$7,200,000 a year ago, despite U. S. Health Service warnings about evils of smoking.

Texas schools have been urged by the governor to give special emphasis to the state song, "Texas, Our Texas", during Public Schools Week, March 2-6, and Texas Historical Period, March 2-April 21.

Speed, drinking and wrong-side driving are three main factors in fatal traffic accidents, Department of Public Safety Director Homer Garrison Jr. told a traffic courts conference.

A great drought lasting from 1276 to 1299 forces the ancestors of the Pueblo Indians to leave their homes on the plateaus and cliffs and settle in the river valleys.

COUNTY HD AGENT CONDUCTS LEADER TRAINING SESSION

"Growing Plants and Houseplants the Modern Way" was the leader training meeting conducted by Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent in her office for leaders of the various Jones County Home Demonstration clubs. Horticultural perlite was used in the demonstration and how it can be used to improve soil and flower beds and the various types of plants that can be grown indoors were all discussed. A pot plant containing perlite was shown.

Past Presidents Give Founder's Day P-TA Program

The annual Founder's Day program of the Hamlin Elementary Parent-Teachers Association was presented Thursday afternoon by the past presidents.

Mrs. E. D. Perrin was program chairman. Other past presidents taking part were Mmes. Bill Shira, E. M. Wilson, president in 1924, and Gerald Young. The women discussed the objects, emblem and founders of the association.

The entertainment was presented by the fifth grade class. The patriotic program of readings and songs emphasizing faith, freedom, justice, citizenship and education, was closed with the Star Spangled Banner.

The invocation was given by Rev. Cecil Stowe, pastor of the Church of the Nazarene.

During the business session with Mrs. W. T. Johnson presiding, the group voted to give \$10.00 to the building of the Scout Hut. Other projects include purchase of a movie mirror, overhead projector and grade average, not to exceed \$350.00.

Mmes. Floyd Clifton, Earl Brown, and Jerry Waggoner were elected to serve on the nominating committee.

Mrs. Fred Smith's second grade room won room count.

The hospitality committee for the social hour following the meeting included Mmes. Robert Fowler, Miller Harmon and Jerry Waggoner.

The next meeting will be March 3. An open house is being planned at the primary, elementary and junior high school buildings beginning at 6:30 p.m.

Pineapple Stars in Pantry Casserole

This quick and thrifty casserole combines handsome canned pineapple slices with baked beans and corned beef hash. Many budget minded homemakers regularly stock cans of these popular items in their pantry. This supper favorite goes together in a few minutes and bakes brown and crusty in a hot oven in less than half an hour. Plan it on a menu with tossed green salad and hot rolls.

PINEAPPLE BEAN BAKE

2 (1-pound) cans baked beans in tomato sauce
1 tablespoon minced onion
1 teaspoon horseradish
1 teaspoon prepared mustard
1 (1-pound) can corned beef hash
1 (8 1/2-ounce) can pineapple slices
2 tablespoons brown sugar
1 tablespoon butter or margarine

Combine beans, onion, horseradish and mustard in shallow baking pan. Slice corned beef hash into 8 slices; arrange with drained pineapple slices on top of beans. Sprinkle with brown sugar; dot with butter. Bake in hot oven (400 degrees F.) 25 minutes. Makes 4 servings.

Sandra Stark and Jerry Burleson Wed In Lubbock Friday

Sandra Elene Stark and Jerry Neal Burleson were married at 8 p.m. Friday evening in the chapel of the First Baptist Church in Lubbock. Elder John H. Burleson, father of the bridegroom and pastor of the Calvary Baptist Church of Hamlin, officiated for the double ring ceremony.

The bride is the daughter of Mr. and Mrs. A. J. Stark of Lubbock and the bridegroom is the son of Eli and Mrs. John H. Burleson of Hamlin.

Attendants were Mrs. Dwayne Welch of Plainview and Johnnie Burleson of Lubbock, brother of the bridegroom.

Jim Stark, brother of the bride, and Jackie Burleson, brother of the bridegroom, acted as best men.

The bride will graduate from Lubbock High School in May. The bridegroom is a graduate of Hamlin High School, is employed by Horton Aero Service of Lubbock as a plane mechanic.

The couple will reside at 1852 San Jose Drive, Lubbock.

Homemaking Class At DePriest Plans Fashion Show

The homemaking department of Oscar DePriest High School will present an evening of entertainment here Thursday at 7:30 p.m. in the Hamlin High School Auditorium. "Sweethearts of Fashion" will feature 40 models showing fashions for school, dress, sport and lounging. Guest models from Stamford will be on the program.

The garments have been made by the regular homemaking and adult classes.

Mrs. Ethel Cunningham is the homemaking teacher.

Special talent members will be under the direction of the DePriest music department.

The public is cordially invited. Admission is 50c for adults and 25c for children.

Mr. and Mrs. Bobby Kiser of Amarillo were weekend visitors in the home of their parents, the Ester Hastings and the Kisers of Sylvester.

BAG TRICKS

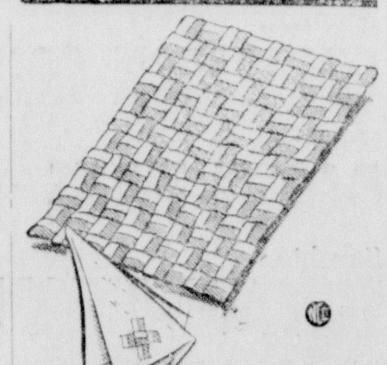

TABLE TALK—Cotton feed and flour bags in prints and solids can be woven basket-style into attractive placemats. Cut strips two inches wide, fold in raw edges to make a one-half inch strip, then press. Weave strips into mat and bind edges with bias tape. Trim napkin with small applique of woven fabric.

Deputy Grand Matron Visits Here With Eastern Star

Mrs. J. B. Gipson, of Haskell, Deputy Grand Matron District Two, Section Seven, visited the Hamlin Chapter No. 460 Order of the Eastern Star at their meeting here Tuesday evening, Feb. 4, at 7:30 p.m.

Mrs. Gipson was assisted by Mrs. Hamp Harris, Worthy Matron of Haskell Chapter No. 892, in giving demonstrations and instructions.

Mrs. Joe League is Worthy Matron and C. M. Abbott is Worthy Patron of the local chapter.

The meeting was in observance of the deputy's official visit and friendship night.

The program, "When Friends Join Hands", was given as a welcome to members and visitors.

Other visitors were Mr. and Mrs. O. L. Rich, Mrs. E. D. Nunley and Mr. and Mrs. Tom Davis.

A salad supper was served in the dining hall following the meeting.

Mrs. Burt Oliver Directs Program For Study Club

The Fifty-two Study Club met Friday in the home of Mrs. C. R. Crowley for a program on communism directed by Mrs. Burt Oliver.

A panel discussion was presented by Mrs. Eddie Offield who discussed "What is Communism?" Mrs. Jack Kemp, "What Makes People Communists?" and Mrs. Jack Vaughn, "How Communism Began."

Mrs. Irby Weaver gave the Federation News.

During the business session with Mrs. Vaughan presiding, donation to Mesquite District the members voted to send a to apply on a gift for the District president, Mrs. R. W. Herren.

Ten mothers helped with the Mother's March of Dimes after the meeting.

The next meeting will be Feb. 21 when members are to invite a guest. A hat sale will be held as a money project.

Central Avenue Baptist Church Plans Banquet

The sweetheart banquet of Central Avenue Baptist Church will be a church wide affair as all members and their guests are invited to attend.

The banquet, using the theme "Stairway to the Stars" will be held at 7 p.m. in Fellowship Hall.

Rev. Lynn Garrett, music and educational director of The First Baptist Church of Anson, will be the featured speaker. Rev. Bill Irwin, local pastor, will be the master of ceremonies.

A king and queen will be selected from the 13 to 25 age group along with a king and queen from the 26 and older age group to be honored during coronation ceremonies.

B&PW Club Holds February Dinner Meeting Tuesday

The February dinner meeting of the Hamlin B & P W Club was held Tuesday evening in the primary cafeteria.

Mrs. Kenneth Riddle showed film of the Homecoming and Mrs. Martin Barnett presented a reading, "Let George Do It."

The meeting was under the direction of the International Relations Committee with Mrs. Lataine Owens as chairman. She was assisted by Mmes. J. W. Seifres, A. L. Carter, Theo Johnson, J. C. Bailey, and Miss Maggie Seymour.

Pauline Womack accompanied by her mother, Mrs. Royce Womack, sang "Blue Skies."

Mrs. Ross Walker of Breckenridge, sister of Mrs. E. M. Wilcox, was a guest.

The Valentine motif was carried out in decorations and in the menu.

The next meeting will be held Feb. 25 at 7:30 p.m. in Hamlin Memorial Library.

Methodist Youth Plan Banquet Here

The Methodist Youth Fellowship Banquet will be held Thursday, Feb. 23, at 7 p.m. in the Fellowship Hall of the First Methodist Church. The banquet will be for the junior high and senior high MYF groups of the First Methodist Church and Faith Methodist churches.

Reservations will be made by Monday, Feb. 17.

A group of McMurry College students from Abilene will present the program.

The U. S. National Park Service was established in 1916.

Agent Says Now Is Time to Take Soil Inventory

The soil is a good place to start farm income improvement for 1964. A soil inventory, points out County Agent, Kirby Clayton, should include a close study of the acres to be farmed or grazed since soils may vary in their productive capacity and adaptability to crops.

A logical first step, he says, is a soil testing program. The determinations from the soil testing laboratory will give needed information on the amounts of plant food required to provide the planned crop or pasture with the nutrients for top production. The fertilizer recommendations for a particular field will be based upon the analysis made of the soil sample submitted to the testing laboratory.

The county agent emphasized the importance of submitting soil samples which are representative of the field or pasture. The results of the laboratory analysis, he explained, will be no more accurate nor representative than the soil sample submitted.

Prof. J. B. Gipson, of Haskell, Deputy Grand Matron District Two, Section Seven, visited the Hamlin Chapter No. 460 Order of the Eastern Star at their meeting here Tuesday evening, Feb. 4, at 7:30 p.m.

Mrs. Gipson was assisted by Mrs. Hamp Harris, Worthy Matron of Haskell Chapter No. 892, in giving demonstrations and instructions.

sample submitted. Producers are invited to contact your county agent for detailed information on how to take soil samples and also for report forms and soil sample containers. He also reminded gardeners that soil testing would help them solve soil fertility problems connected with their activities.

Keep Sharp Pencil Handy
A good sharp pencil is a handy item to have on a fishing trip. The point is an ideal tool for taking the snails out of a backslash.

Preserve Game Birds
To keep game birds like quail and doves fresh in a freezer, put them in old milk carton, fill it with water, staple it shut and freeze.

Hook Sharpener
One of those emery boards the little lady uses in doing her nails is the perfect tool for sharpening fish hooks and keeping them in fine condition.

Coronado reached the Grand Canyon during his exploration of the Southwest in 1540-42.

FAIRVIEW NEWS

Another nice rain fell the past week, and combined with what fell the week before, makes everything look a lot brighter. Wheat looks so pretty and green and is beginning to grow, which will really be a help to the cattlemen.

Former pastor, Rev. Doyle Combs and his family, were visitors in our community Friday night. Having supper with the Woodrow Goodwins, they and the Goodwins went to Mr. and Mrs. E. A. Henrys, to visit, the Combs family spending the night with the Henrys.

A good crowd attended the Study Course at the church Wednesday night. The book The letter to the Ephesians is being taught by Mrs. Leverett. The fifth and sixth chapters will be studied Wednesday night.

Mr. and Mrs. Buck Joiner and children, Odessa, visited with her parents Mr. and Mrs. Charlie Durham, in Hamlin, Saturday night, and Sunday. Mr. and Mrs. Joiner and Susan, visited his parents, Mr. and Mrs. Elmer Joiner, the boys, Charles and Jerry visited with their cousin, Larry McCoy. Mr. and Mrs. J. E. McCoy also visited with them in the Joiner home Sunday afternoon.

Boyd Henry, Elgin, has been visiting with his grandparents, Mr. and Mrs. E. A. Henry several days. Boyd, a recent graduate of State University at Austin is going in service around March 1st, where he will enter Officers Training School. He has enlisted for three years.

Monday morning Mrs. Henry and Boyd were going to Higgins, to visit his sister, Mr. and Mrs. Mack Sansing and girls, planning on returning Wednesday.

Mr. and Mrs. Wilson Gray received a phone call from Houston, informing them of the arrival of another little daughter, weighing seven pounds and

ten ounces, born to Mr. and Mrs. Royal Bills, Sunday morning. This makes the Grays two boys and two girls as grandchildren.

Mr. and Mrs. Joe Ford, Mr. and Mrs. H. L. Ford, Spencer and Diane and Mr. and Mrs. Fred Rosenbaum, all visited with Mr. and Mrs. Henry Saturday night.

Having attended a meeting of the Jones County Fair board, in Anson, this Monday morning, will take this opportunity to say that if you have not supported the Jones County Fair, they are in need of financial help on their show barn, at this time and any donations by civic minded persons will be appreciated. The Fair is a county wide affair and with the addition of the horse show, has grown to be a nice place to go, and although it is early to think about it, plan to attend and take some thing to show.

If you think a preacher can't be an acrobat also, you should have been on hand Sunday night after services, to see our pastor climb an upended bench, to reach an electric light fixture that has needed a new bulb for some time, which all went to prove that there is more than one way to skin a cat, since it was always a trip to town to borrow a ladder and one to return it.

There is an oil rig set up and drilling, on the former Hiebert home place, now owned by John Green, of Hamlin.

Texas Draft Call Set for 517 Men

AUSTIN. — The State draft quota for March calls for 610 men, compared to 517 for February. Col Morris S. Schwartz, state Selective Service director, said Wednesday.

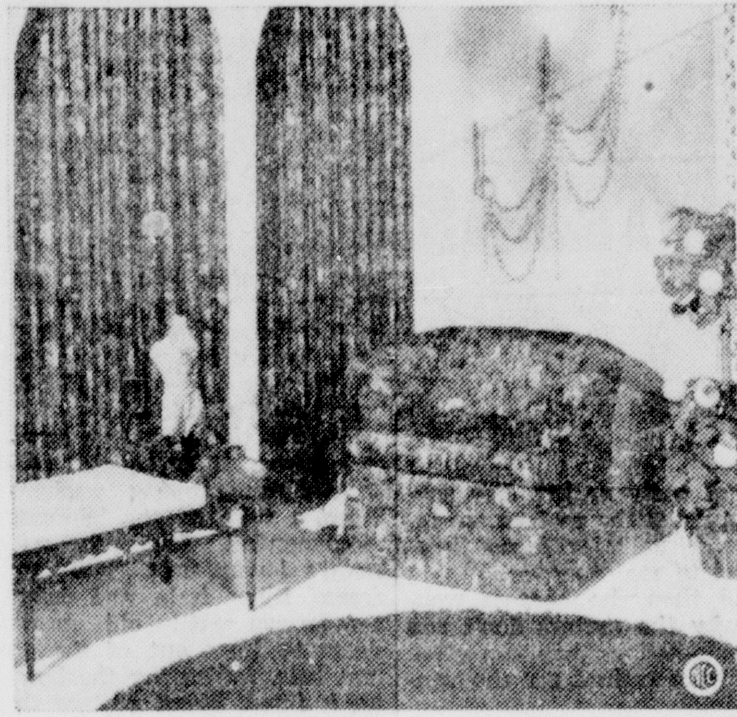

The state quota of 610 for March is the Texas share of a national call for 14,000 men, all for the Army.

The state Selective Service director also announced pre-induction physical and mental examinations for 6,000 men in March.

Marriage Licenses

CHARMING CORNER—All-cotton warp sateen used as drapes and upholstery fabric adds charm to a decorative corner of a room. The Du Pont "Savalex" fast colors in the fabric combine beauty and outstanding fastness to sunlight and laundering.

SIX FLAGS TO OPEN SEASON APRIL 18; FRI. NIGHTS ADDED

Six Flags Over Texas will commence its 1964 operating season on Saturday, April 18, according to an announcement by Angus G. Wynne, Jr., president.

Following the opening weekend and for the first time in the popular theme Park's history, Six Flags will be open every Friday evening in addition to a regular Saturday and Sunday spring schedule. Operating hours have been set for 5 p.m. to 11 p.m. on Fridays and 10 a.m. to 10 p.m. on Saturday and Sunday.

"We have inaugurated the Friday evening program in response to a significant number of requests that turned up on our guest surveys during the 1963 season," said Mr. Wynne. "Also, according to the Texas State Highway Department surveys, these days many out-of-state travelers are taking advantage of our balmy spring weather for a three-day weekend rather than two. "Fridays have been busy days at the various highway information bureaus as visitors have already begun to inquire if Six Flags will be open on Friday nights, arrive in the Dallas/Fort Worth area, "Mr. Wynne continued.

holes in the gear housing are open and free, and the flushing plug is removed so that all water will drain out. This is very important. Trapped water may freeze and expand, thus cracking the gear housing and water pump housing.

Remove the spark plugs and inject a small quantity of storage seal into each spark plug hole. Re-install the plugs and operate the manual starter to distribute the storage seal. Then lubricate swivel pin and all linkages as directed by your owner's guide.

Remove the air vent screw and grease filler plug with their accompanying washers. Insert a tube of the lubricant recommended for your outboard's lower unit into the grease filler hole and inject new grease until old grease starts to flow out of the air vent hole, indicating the housing is filled. Next, replace the vent screw, filler screw and washers.

Spray the entire powerhead with a coating of corrosion prevention to protect the finish of all parts beneath the cowl. The exterior of the motor also can be sprayed to protect the finish.

Remove the propeller and clean the shaft with steel wool; then apply graphite grease and re-install the propeller.

If you plan on leaving the motor on your boat, perhaps leaving the entire rig on a parked trailer, disconnect the battery terminals. Clean the battery, paying particular attention to the removal of corrosion around terminal posts. Apply exterior corrosion and rust preventative. Check electrolyte and add distilled water as necessary to bring to recommended level.

It also helps to charge the battery until the specific gravity of the electrolyte reaches 1.260. Every 30 days re-check the electrolyte and take the specific battery reading. Apply a booster charge when hydrometer reading drops below 1.150. This may save your battery from one season to the next.

It is best to store the battery where it is not subject to temperature change.

Keep your motor in a clean dry location. It should be covered, but be sure there is enough air circulation to prevent moisture build-up.

Pour all the old fuel from your gas tank and slosh a little fresh gasoline around in the tank, to remove all oil deposits. Leave the tank open until all excess fuel evaporates.

If you don't want to go to this much work, take your motor to your outboard dealer and let him make the necessary maintenance. In the long run it will be much cheaper than if you have to take it back to him in the spring, after nature has had a chance to take its toll.

Surrender of 12,500 Union troops to Stonewall Jackson at Harper's Ferry was the largest in U. S. history prior to Corridor.

FEBRUARY 13, 1964

CATTLE FEEDERS TO REMEMBER 1963 AS YEAR OF DISCONTENT

Many cattle feeders will remember 1963 as the year of their discontent. The cause was low profits, and the primary culprits were falling fed cattle prices and higher feed costs.

Also contributing to the low profits was the cost of feeder cattle in relation to the price of fed cattle according to the latest summary published by the Cattle Feeders Division of the Texas and Southwestern Cattle Raisers Association.

Lloyd Bergsma of Fort Worth, director of the Cattle Feeders Division, said at year's end the price of 900 to 1,100 pound choice steers in Chicago was down \$6.25 per hundred compared to prices a year earlier. Prices on 500 to 800 pound good feeder steers at Omaha were down \$3.70 per hundred during the same period. Cattle prices followed a downward trend nearly all year.

Total domestic production of beef reached an estimated 16,470 million pounds during 1963, and this total was swelled by record beef imports. Per

capita consumption of beef was 95 pounds during the year, an all time high.

In 1964, domestic beef is expected to be slightly above 1963 levels and shipments of foreign beef to the United States could exceed the record 1963 tonnage. Feed costs are expected to average near 1963 levels and feeder cattle below 1963 levels.

"With the supply of beef available in 1964 estimated above 1963, we can not expect fed cattle prices to return to 1962 levels," Bergsma explained. "However, with a continued strong demand we might expect prices to be above those of the last half of 1963."

One female horsefly may lay over 1,000 eggs in her lifetime.

OLD GLORY...

55th Wedding Anniversary

Mr. and Mrs. O. D. Vanderworth Sr. observed their fifty-fifth wedding anniversary at their home northeast of Old Glory on Sunday, Jan. 26.

It was a surprise to the couple when their family began arriving with baskets of prepared food and gifts for their parents. Five of their six children and their families were present. A son, O. D. Jr. and his family who live in Denver, Colo. were here Christmas, but did not return for the anniversary party. The couple's actual anniversary date was Jan. 28. They were married in 1909, sons, Mr. and Mrs. Eugene D.

Children attending were two Vanderworth and son, Abilene, Mr. and Mrs. Lee Roy Vanderworth, Old Glory, three daughters, Mr. and Mrs. Fred Teichelman and sons of Hamlin, Mr. and Mrs. Gus Rueffer of Wienert, Mr. and Mrs. Charles Grice and family of Memphis, Texas. Married grandchildren were Mr. and Mrs. Wesley Cotton Rhoads and children of Stamford, Mr. and Mrs. Jimmy Hale of Hamlin, and Mr. and Mrs. Lawrence Schonerstedt and sons from Eastland.

Mr. and Mrs. Dalton Gill stopped by at the Jerry Johnston home last Thursday night to show their new son, Dalton Mitchell. He was born Jan. 20 and weighs six pounds. The Gills are at Flower Grove.

Mr. and Mrs. Adelberg Suter visited their daughter and family, Mr. and Mrs. John McGowan and children in Knox City last Sunday.

Basketball:

Old Glory boys continued to hold the number one spot in District 14-B as they defeated Paint Creek on Tuesday Feb. 4 63-49. Donald Boles led the way for Old Glory with 15 points. Butch Kahout made 7 points for Paint Creek. Old Glory girls are still in the lead for first place in the District even though they were defeated by the Paint Creek girls, 40-42. Nancy Vahlenkamp and

Beverly Garner each tossed 16 points for Old Glory that night. Paint Creek's Janny Morrison made 24 points.

Old Glory girls entered the Hardin-Simmons Tournament ment last weekend. They were again defeated when they met Hawley on Thursday night. The score was 64-49. Beverly Garner led the way for Old Glory with 18 points and for Hawley Bobby Watts and Joy Beasley tied with 24 points each. On Friday the girls were defeated by Paint Creek 55-41. Nancy Vahlenkamp made 20 points for Old Glory and Janny Morrison tossed 19 for Paint Creek.

Hugo Klump of Bartlett is here visiting with his sisters, Mrs. W. G. Wienke, Mrs. Tillie Dippel and a brother, Mr. and Mrs. Ben Klump.

Mr. and Mrs. Jerry Callicoa-te, Guy and Jill of Midland visited here last weekend in the home of her parents, Mr. and Mrs. Charlie Letz and his parents, Mr. and Mrs. Delos Callicoa-te.

Stamford Players Win Bridge Meet

Tuesday night winners in the Hamlin Duplicate Bridge meeting were, first, Mr. Harry Yates and Mrs. Grady Bowdrey, both of Stamford; second Jack Russell and Mrs. W. O. Wilbanks and third were Mrs. Floyd Briscoe and Mrs. Starr Inzer.

BIRTHS

Mr. and Mrs. Boyce Ellison of Aspermont are parents of a girl, Lori Viann, born Feb. 8 at 6:28 a.m. She weighed 5 lbs. 8 oz.

Mr. and Mrs. Lionel Gonzales are parents of a daughter, Lucia, born Feb. 10. She weighed 8 lbs. 13 oz.

Mr. and Mrs. I. D. Acklin visited with her parents, Mr. and Mrs. Cal Watts of Anson on Sunday.

TIPS FOR OUTDOORSMEN

By Vern Sanford

Prolongs Battery Life

Between trips afield, reverse the batteries in your flashlight. Then if the switch accidentally is turned on, no harm is done, for the circuit will be broken. Then install the batteries properly when you're ready for your next trip out.

Carpets for Traction

A valuable item for the auto camper to have on hand, whether he's on the coast or inland, is two strips of old carpet, about 15 inches wide and six feet long. Keep 'em behind your spare tire. Next time you get stuck, slip the carpet strips under the rear tires for greater traction.

Silent Whistle Useful

Carry one of those silent dog whistles the next time you go deer hunting. If you see a deer with head down and you can't determine its sex, blow a blast on the whistle. Up will come the head and you'll be sure whether your target is a doe or a buck.

To Loosen Gun Screws

When its time to oil up your

firearms and you discover that some of the gun screws won't budge, heat them lightly with a soldering iron. It works every time.

Freeze Fish in Ice

To keep fish fresh in a freezer, try putting them in a pan of water first and freezing the entire tray. Next run some warm water over the pan. Out come the cake of ice—fish and all. Wrap the encased fish—ice and all—in foil and pop it back in the freezer. The frozen water will seal the flavor in.

Cover Muzzle With Shell

To protect your rifle bore from dust and rain while in camp, cover the muzzle with an empty shotgun shell. It is waterproof and does the job. Just be sure you remove the cover before firing the gun.

Footing the Rabbit

If you jump a cottontail rabbit and miss your shot, don't give up the chase. A little strategy will put him in your sights again. Watch the direction the rabbit takes. Then travel in a wide circle and ap-

proach the spot, where the bunny disappeared, from the opposite direction. There's a good chance then that you'll get another shot.

If you pursue the cottontail straight on, the wise old rabbit will stay hidden until you give up. But the new approach will send him scampering into the open.

Coffee Grounds Useful

Don't throw away those coffee grounds. Fill a large box with a couple inches of dirt, put fish worms in the box, then cover with fresh coffee grounds. This will keep 'em alive and as frisky as the day you caught 'em.

Plastic Bag Handy

When going deer hunting, carry a large plastic bag in the pocket of your hunting coat. It takes up very little room and makes a nice dry seat while sitting on a stand. Furthermore it serves as an excellent container for the deer liver when you head for home.

Portable Blind

Here's a good portable blind that works fine in the rice fields while hunting geese. Take a piece of canvas and paint it a straw color. While the paint is still wet, sprinkle real straw over the canvas. The straw will stick to the paint and when dry you can cover yourself in the field.

Catfish Like Sardines

Here's a quick way to chum or around animals, Clayton of-

some catfish to your bait. Buy a can of cheap sardines or all-fish cat food and jab holes through the can with an ice pick or a knife blade. Then draw the can in the water, weighting it with a large singer or stone. Fish are attracted by the aroma from the leakage from the can. If you put baited hook nearby, you're in business.

Stockmen Warned Against Using Plant Pesticides

Using pesticides on animals which have been formulated for plants can be dangerous, warns County Agent, Kirby Clayton. His advice, don't do it.

He points out that although the same material may be used in some cases on animals or plants, the concentration and chemical formulation may be vastly different. If the insecticide is manufactured specifically for plant use, the formulation may contain solvents that speed up absorption by animals and result in poisoning. The difference can mean a sick animal.

Trouble most often comes, says the county agent, when directions on the labels are not closely followed. Pesticides are safe when used as intended by the manufacturer and in accordance with his recommendations.

When pesticides are used on

HIGH SCHOOL CARNIVAL TO BE HELD SAT. IN OLD GYM

The annual Hamlin High School Carnival, sponsored by the Student Council, will be held Saturday, Feb. 15 in the old gymnasium. Each class has selected two booths, and activities will begin at 6:00. The seniors have selected bingo and a style show for their booths. The style show is to consist of all senior boys modeling girls' clothes, and it will be held in the auditorium. For their pro-

jects, the juniors chose the cake walk and basketball throw. The sophomores are going to have a dunking stool and a penny pitch. A dart and sock throw will be sponsored by the freshmen and the Student Council has selected a miniature golf course as their booth.

The coronation of Mr. and Miss H. H. S. will follow the carnival and climax the night's events. Nominees for the titles are Margaret Johnson and Randy Smith, freshmen; Glenda Hudspeth and Tommy Ferguson, sophomores; Barbara Graham and David Drummond, Barbara Lackey and Nick Moore, seniors. The selection

was made by the voting of the student body, and the coronation will take place at 8:45.

hhs
"The Worm Shall Squirm", a comedy in three acts, has been selected by the senior class for their play. Try-outs were held last week, and characters for the play have begun rehearsals. Characters selected are Gary Jay as Homer Dunhagen, a high school principal; Kathy Hallmark as Berthe Homer's wife; Ronnie Teichelman as Leroy Dunhagen, a typical seventeen year old boy; Sue Johnson as Rosemary Dunhagen, a beautiful sixteen year old girl; Judy Fitzgerald as Phyllis Dunhagen, a troubled fourteen year old; Kay McCoy as Mrs. Brunhilde Burton, a talkative and enthusiastic neighbor; Anna Adams as Jenny Burton, a beatnik; Candy Thompson as Penny Burton, Jenny's sister who is also a beatnik; Barbara Lakey as Diane, Leroy's girlfriend; Ronnie Sipe as Mr. MacDonald, the head of the school board; Doyle Bell as Rash Hudson, an ever bearing, egotistical boy; and Jaylon Fincannon as Buzzy, Leroy's buddy. Polly Jackson was named as student director, and Marsha Goodgame and David Bingham are the understudies. Mrs. L. R. Fowler is directing the play.

hhs
The Pipers and Piperettes will host the Haskell Indians Friday, Feb. 14, in the last district contest for the boys.

CHECK THIS LIST BEFORE YOU MAIL FARM INCOME TAX FORM

Here is a list of things to check before you mail your income tax forms. Some are often overlooked items which may result in over-payment of taxes, points out County Agent, Kirby Clayton.

Did you take advantage of investment credit on machinery and equipment purchased since December 1962? This can reduce tax by 7 percent of the eligible investment provided the credit is taken for the first year. The credit must be claimed, otherwise it is lost. Allowable credit for 1962 investments that was over looked can be claimed by filing an amended tax return for that year.

Did you take under 30 percent of the contract price on property sale? If you received more than 30 percent during the year of sale, the transaction qualifies as an installment deal. In such cases, you can spread the gains over the remaining payment years. Otherwise, the total gains must be reported for the year of sale and tax paid thereon.

Did you charge a portion of the family car's depreciation to the farm? Cost directly associated with the farm or ranch operation is a deductible ex-

pense.
Did you include actual payment to your children for the farm work they did? Bonafide wages paid or deductible and if a child's total earning exceed \$600, he gets his own exemption. Parents may also claim him as an exemption provided he was in school and they furnished over half of his support.

Did you check about the cost of purchased livestock that died during the year? Any remaining cost in breeding, dairy and stock held for resale may be deducted.

Did you compare allowable deductions before taking the stand 10 percent deduction? You may be ahead by listing them, especially, if contributions, personal interest, taxes or medical expenses were unusually high.

Did you claim the cost of boarding and keeping hired help?

Did you make sure to get new machinery into the depreciation schedule?

Help you "tax IO", suggests Clayton by studying available publications. Such is 1964 edition of the "Farmers Tax Guide". Copies are available from your county Extension agent. This can be some of the most valuable reading you'll do this year, Clayton concludes.

The girls will meet Winters Feb. 18 for their last district contest.

WALKER'S MAN
... owned by Don and Debbie Elmore
FOR HORSE LOVERS

by Cecelia Johnson

(Editor's note: The following is the first in a series of articles written about the fine quarter horses to be found in the immediate area.)

Walkers Man, a three year old bay stallion by Wampas Bars by Three Bars, owned by Don Elmore and his daughter, Debbie, is an outstanding three year old quarter horse now in training for roping. Elmore plans to be roping off him this spring.

The Elmores, Don, his wife, June, Debbie, 10, and Randy, 6 are all interested in riding and roping. Don is a regular participant in roping events. June is a member of the West Texas Barrel Racing Association and competes regularly in barrel racing events. Debbie is also a member of the W. T. R. R. A. and competes in the junior division. Randy participates in flag races.

The Elmores have several horses which includes two registered mares. One of the mares is in training for barrel racing while the other is being

Burleson Has Top Attendance

Washington, D. C. — A review of the record of the First Session of the 86th Congress that adjourned in December shows Congressman Omar Burleson, 17th District of Texas, to be one of only 15 members of the House with a perfect attendance record on recorded votes. He was one of an even smaller group who did not miss a quorum call during the Session.

There were 119 recorded votes during the Session and Burleson was present and is on record with a "yea" or "nay" on each. There were 137 quorum calls, and he was present in every instance.

Of the 435 Members of the House, the average voted on 84 per cent of the roll calls.

SUITS FILED

Frank Agee vs. Mary Jo Agee.

trained for track racing.

Don, an employee of the post office here, in his spare time enjoys riding with his family and working with the horses in the small arena on their place a mile north of Hamlin, just west of the Hamlin Riding Club arena.

Agent Warns of Winter Increase In Cattle Lice

Cattle lice may not create much of a problem in the warm months but it's a different story during the winter season, explains County Agent, Kirby Clayton. Closer confinement aids the spread of lice from infested to clean animals.

By the time the lice are easily seen, much of the damage has been done. The time to treat for lice is now while the infestations are light, says Clayton.

Sprays which are recommended and have Food and Drug Administration approval for use on dairy cattle are pyrethrins, rotenone and clove oil. The county agent advised that the manufacturer's directions on the labels on these insecticides be followed very closely.

Malathion, lindane, co-ral, ronnel, toxaphene, chlordane, methoxychlor, ruclene, sevix and delvan are materials which may be used for lice control on beef animals. They are usually applied as dips or sprays. The county agent added that a second application, usually two or three weeks after the first, may be needed to get new lice as eggs hatch. Usually two treatments will control the pests on beef cattle for the winter unless new animals are placed in the herd or feedlots. Clayton recommends the treating of new stock before putting them with clean animals.

Lice generally cause milk production to drop in the dairy herd and weight loss in beef cows and reduced feed efficiency in feedlots, points out Clayton.

You can't be too careful in carrying out the manufacturer's directions, cautions the county agent. Treating milk cows with the wrong insecticide, treating them while they are in milk production or treating beef animals too near slaughter time can get you in trouble with the Food and Drug Administration.
